Anticipating this advance we bought a good supply of all paint material—lead, oil and mixed paints, so we are now in a position to give you the advantage of the old prices for a short time. We have a real live paint man who knows the paint business from A to Z. Come in and have a talk with him, and save money.

### There're a lot of things need fixing

Says the Little Paint Man.

Things around the place will suffer from wear and tear. And after a while they get so shabby that we feel obliged to chuck 'em away and get something new in their place. But it's a mistake and if we only all had the "Brighten Up" habit we'd keep things spick and span all the time by having a pot of paint, a tin of varnish and a brush handy. Just read this and do some "Brightening Up" right away.

Paint your porch chairs in bright colors with S-W Porch and Lawn Furniture Enamel or S-W Buggy Paint. (S-W means Sherwin-Williams—the name that stands for good quality in Paints and Varnishes.)  
The screen doors and window screens will look bright and new after a coat of S-W Screen Enamel. Makes them wear longer, keeps the screen from rusting.  
Cupboards inside and out made fresh and sanitary with S-W Family Paint—21 attractive colors. Fine for touching up woodwork. Old, worn floors made clean and attractive with a coat of S-W Inside Floor Paint. Or a stained and varnished finish at one operation with S-W Floorlac.  
Revarnish the front door with S-W Kopal. It stands the weather. Repair the doors inside with S-W Family Paint.  
No matter what you have to fix up, we have a Sherwin-Williams Finish that will do the job well. XY775

There're a hundred other things that need touching up. Make a list of the dingy things and come to us and we'll tell you what to do.

**CHI-NAMEL LEE, A BOLD CHINEE, is looking for the trade you see: His goods are great, And sure as fate He'll demonstrate Chi-Namel's great utility.**

Why can he do this? CHI-NAMEL is a varnish made to walk upon. It does not mar; it goes farther; lasts longer; water has no effect upon it; is beautiful in color and gloss; in fact, it has every quality that you would demand in a varnish, either clear or colored.

A trial can will convince you Chinese Wood Oil does it.
