YOU ASK US, "WHAT IS A ONE CENT SALE?"

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: the standard price of Rexall Tooth Paste is 25c. You buy a tube at this price and by paying 1c more or 26c you get two tubes. Every article in this sale is a high class standard piece of merchandise just the same as we sell you every day at regular prices, and have sold you for years.

"CAN YOU AFFORD TO SELL MERCHANDISE AT THESE PRICES?"

Our answer is, "No." This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums in other ways to convince you of the merit of these goods they are spending it on this sale, permitting us to sell you a full size package of standard merchandise for 1c. It costs money to get new customers and loss on this sale will be well spent if the goods please you.
