OPEN LETTER TO HUGHES

Dear Mr. Hughes: You'll please excuse My dullness if I seem obtuse, Or fail to properly enthruse, When you break loose.

The papers give me all the news And more advice than I can use; But when I try to get your views On public questions, then I lose My patience, and I sigh and say "Oh, what's the use!"

I give the devil all his dues: I rather liked you, Mr. Hughes, When you were judge. But when you choose To be a knocker and abuse Our president, I must refuse To read your "ooze."

The democrats you still accuse; Your lamentations I peruse. These may alarm—they can't amuse, And thinking men they won't confuse;

But altogether, Brother Hughes, You're too profuse.

One final word before adieu: If you would stand in Wilson's shoes You'll have to try some other ruse— For, by the gods, you're going to lose! For the republican party will get its dues; You're up against it, Mr. Hughes.

Father Odermatt received many presents and many telegrams of congratulation. He expressed his gratitude to all who helped to make his jubilee such a wonderful success.

SAVE NATION'S LIFE

Mexican Envoy's Tribute to President Wilson's Policy.

Convincing testimony to the wisdom and justice of President Wilson's Mexican policy is given by Luis Cabrera, one of Mexico's commissioners at the joint Mexican-American conference in session at New London, Conn.

"I do not care to discuss political or international questions of any kind."

© by Underwood & Underwood.
LUIS CABRERA.

said Senor Cabrera in a recent interview, "but I will say that in official circles of Mexico President Wilson is looked upon as one of the greatest men the United States ever has had as a leader. He is calm and considerate, and his much abused 'watchful waiting' policy has probably saved the life of my nation and prevented our country from entering into a needless struggle."

DEMOCRATIC PROMISES TO FARMERS FULFILLED.

Benefits Under Wilson Set Forth in Official Pamphlet.

The Democratic platform of 1912 made this promise to the farmers of America:

"Of equal importance with the question of rural credits or agricultural finance. Therefore we recommend that an investigation of agricultural credit societies in foreign countries be made, so that it may be ascertained whether a system of rural credits may be devised suitable to conditions in the United States, and we also favor legislation permitting national banks to loan a reasonable proportion of their funds on real estate security."

"We recognize the value of vocational education and urge federal appropriations for such training and extension teaching in agriculture in co-operation with the several states."

These pledges, with many other services to the farmer, have been completely fulfilled in the legislation of the present administration. The record of Democratic Performance is offered in comparison with the Republican record of broken promises to the farmer in an attractive pamphlet issued by the Democratic national committee. Copies have been furnished to every Democratic state committee for free distribution.

A COMPARISON

You wouldn't drink from a rusty tin cup with a clean glass at hand! Well then, why pay as much, or nearly as much, for a pump with a metal valve seat

AS FOR A

Myers Pump with the PATENTED GLASS VALVE SEAT?

Metal Valve seats may corrode or rust. GLASS VALVE SEATS CANNOT. Metal Valve Seats harden the check leathers quickly. GLASS VALVE SEATS DO NOT. The patent Myers Glass Valve seat is well protected and is as lasting as any metal seat and far superior.

SUNDAY SCHOOLS PARADE

Quarter-Centennial Celebration to be Held in Original Church

The 25th annual convention of the Sunday schools of Clackamas county, with delegates assigned by practically every school in the county, will be held on October 13 and 14 at the Presbyterian church in this city. The convention 25 years ago was held in the same church, and it has been deemed fitting that on this occasion the Presbyterian church should be honored.

All county schools are invited to attend the convention and many prominent Sunday school workers will be here for the two days. There are to be morning meetings from 9 until 11 o'clock each day and important topics will be discussed. "How County and Sabbath Schools Should Cooperate," is to be the subject of a series of talks. On Saturday morning a parade will be held, and if the weather is nice a basket luncheon at Canemah park will follow. Otherwise the churches of the city will be open for the reception and comfort of visitors.

The parade, in which all county school children are asked to take part, will form close to the library park on Seventh street. From there it will march down Seventh to Washington to Twelfth to Main and down Main street.

The Rev. C. A. Phipps, president of the State Sunday School association, will be one of the prominent workers to attend the convention.
