large bridge building over the South Couville at its confluence with Salmon creek and that a railroad line called a "logging road" is being graded from Powers toward Eckley indicates that work is already under way.

Marshfield secured another convention for 1917, that of the Oregon state. Knight Templar convocate, which met this year at Corvallis. The convention means a probable attendance of 200 delegates and is an important gathering, as there are always competitive drills and other features.

E. J. Hansett and W. C. Peterson, of the F. W. Stearns company of New York, manufacturers of textiles, are in Eugene today, and are looking into the flax situation with George Quayle, secretary of the Eugene chamber of commerce.

Accusing County Assessor J. P. Lee of favoring the Klamath Development company in his assessment of this year, of making other city assessments unnecessarily heavy, of discriminating against the Booth-Kelly Timber company and other big timber corporations, County Judge Marion Hanks, as member of the board of equalization, recommends raising assessments of Klamath Development company and other east end properties and reducing several of the timber tract assessments. These matters will be threshed out at meetings of the board of equalization.

The Polk county annual teachers' institute will be held in the Dallas high school October 9, 10 and 11, morning, afternoon and evening. Leading educators of the state will comprise the faculty. Programs for the three days have been issued by County School Superintendent Reynolds.

Keeping up a reputation established years ago as a "blue ribbon" county of Oregon, Polk carried off high honors at the state fair in Salem last week. The award was made to the county showing the greatest number of points on a general county display.

For the third consecutive week the pen of ten hens entered by the Oregon Agricultural college in the Etors, Conn., egg laying contest led all competitors and also climbed to fifth place for the entire 45 weeks of the competition, according to advices received at Corvallis. The Corvallis hens made a score of 52 eggs while the nearest rival made 49.

The seventh annual Junction City Pumpkin show was held last week. The exhibits were more extensive than those entered in the show last year. The pavilion was gaily decorated in green and yellow, the official colors of the association, and all the available space was taken by the various exhibits.

One of the most enthusiastic road meetings ever held in Oregon, and one which called forth much intelligent discussion, was that at the Yamhill county court house last week. Representatives were present from points 50 miles distant in either direction. The purpose of the meeting was to impress upon the state highway commission that people of the GALLEY 7—west side are entitled to equal recognition with the east side in the appropriation of funds for a through public highway.

W. C. T. U. CONVENTION

Delegates From all Parts of County Attend Sessions

The annual Clackamas county convention of the Women's Christian Temperance Union was held at the Methodist church in this city on last Friday. The attendance included members of all the unions in the county and the programs of the day were instructive and entertaining. The forenoon meetings were devoted to business and the election of officers. At the noon hour the ladies of the Oregon City union served lunch in the church and the convention programs were continued in the afternoon and evening.

Officers for the ensuing year are: Mrs. E. B. Andrews, Oregon City, president; Mrs. Mabel Brobst, Wilsonville, vice-president; Mrs. George Eberly, Clarks, corresponding secretary; Mrs. Lulu Horning, Hood View, recording secretary, and Mrs. R. M. C. Brown, Oregon City, treasurer.

At the afternoon session an address on "Beer" by the Rev. W. T. Milliken, of Oregon City, was a feature. Mrs. Tuley, of Molalla, read a paper entitled "Beer Not a Benefit." Friday night the silver medal declamatory contest was held. Although only three young women participated, this event was successful and the medal was awarded to Miss Eunice King of Oregon City.

The Courier—\$1.00 per year.

G. O. P. AT MOLALLA

Hawley Discusses Mexican Situation. Candidates Speak

The Clackamas county republican salute was fired at a well attended meeting at Molalla on Saturday night when Congressman W. C. Hawley delivered an address to an audience of 200 voters. The meeting was given over to the Hawley speech, music and talks by republican county candidates. The speakers, in addition to the congressman, were George C. Brownell, candidate for state representative; William M. Stone, candidate for district attorney; Dudley B. Boyles, deputy county recorder and candidate for the office; W. W. Everhart, for assessor; M. E. Dunn, for treasurer, and Coroner W. E. Hempstead, of Oregon City, for re-election. E. E. Brodie, of Oregon City, was chairman of the meeting.

Mr. Hawley dealt principally with the democratic free trade policy and with the Mexican situation in the management of which, he declared, the democratic party had made a most miserable failure. This was the first in a series of campaign meetings to precede the November election.

CLUB SELLS TAGS

Football Practice Calls Out Veterans and Recruits

The net revenue to the new Oregon City Athletic club from the tag sale here on Saturday was almost \$65, and the members of the organization feel that their efforts to provide a full calendar of sports for Oregon City are appreciated. A bevy of popular young women, including high school girls, sold tags for the club. The first prize was awarded to Miss Mabel Albright, with Miss Veda Lynch and Miss Genevieve Jones taking second and third awards, respectively, for selling the greatest number of tags.

The season's first football practice was held last Sunday and fifteen men appeared in molekins—some of them more skin than mole, a defect that will be corrected. Practice is being held three nights a week, Monday, Wednesday and Friday and Harry Smith, president of the club, who has entered wholeheartedly into the management of its affairs, is certain that the senior team representing the club will be a winner. A junior team will be developed as material presents itself and all are invited to don the togs of the gridiron battlefield.

REX LAMPMAN SUED

Oak Grove Reporter Candidate Charged With Cruelty by Wife

Mrs. Verne H. Lampman filed suit on Saturday afternoon against Rex H. Lampman, former Portland newspaper man and democratic candidate for joint representative from Multnomah and Clackamas counties. The general charge is cruelty, and Mrs. Lampman charges that her husband told her to go home to her folks and stay there and said to her that she was "no aid or stimulus in his work; that she didn't know anything and that she was a fool," by reason of which her life became burdensome and unbearable. There are no property rights.

The Lampmans have lived at Oak Grove for some years. They were married at Rice Lake, Wis., September 4, 1909, and have three minor children, Jean, 6 years; Herbert Howard, 4 years; and Laurie, 3 months. Mrs. Lampman asks the custody of the children and \$25 a month alimony for their support. Mr. Lampman was formerly the publisher of a little paper at Gold Hill, Ore., but of recent years has been employed on Portland papers.

FAIR AT SANDY

Baby Show and School Parade Will Feature Festival

A fair will be held at Sandy Friday and Saturday, with exhibits in the I. O. O. F. hall, where J. G. De Shazer will have charge. Friday morning there will be a school parade, led by the Sandy band. No floats or rigs will be permitted. Four cash prizes will be given. At 2 p. m. a literary program will be given in Shelley's hall. On Saturday morning a baby show will be held in the I. O. O. F. hall, with Mrs. A. C. Thomas in charge. Various prizes will be given. At 1:30, A. C. Thomas will have charge of the horse races. There will also be races for men, boys and girls. There will be dancing at Shelley's hall Friday night until midnight and Saturday afternoon and all night. There will be a special booth for the doll exhibit, in charge of Mrs. J. E. St. Clair.

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. FRANK KNOBL, 1642 Fulton St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. F. E. YOST, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DUERRING, 34 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice—it will be confidential.

About the State

Resume of the News of the Week from All Parts of Oregon

A strong protest is being made by Sellwood citizens against the establishment of a tuberculosis sanitarium by Dr. E. A. Pierce in the residence at 1809 East Ninth street, near the river. Application has been made to the council for a special permit to set aside the ordinance prohibiting such institutions within the city limits.

At a meeting of Weston citizens last week at the opera house another "Weston Free Day" was decided upon for 1916. One was held last year and proved such a successful and popular innovation that it was unanimously thought that so prosperous a harvest as this year had witnessed should be similarly celebrated.

As was the case last year, every-

thing will be free to every visitor. There will be free refreshments and free entertainment and hundreds of gifts will be distributed among the visitors by means of the coupon system.

Governor Ernest Lister of Washington, Governor Moses Alexander of Idaho and Governor James Withycombe of Oregon Friday were visitors at the Oregon state fair. They attended a session of the Oregon state association of county judges and commissioners on the grounds and each spoke briefly.

The state fish distributing car "Rainbow" left Eugene for Portland Saturday morning after completing its first trip over the Willamette Pacific railroad, the object of which was to plant 25,000 eastern brook and rainbow fry in the tributary to the new railroad. Some of the fish will be taken as far south as Portland, Curry county.

At the executive board meeting of

the First Southern Oregon District Federation of Women's clubs, held at Rogue River Tuesday, it was decided to hold the annual convention at Grants Pass, April 12, 13 and 14, 1917.

Beginning Monday morning, free mail delivery was established in Hillsboro. City carriers were John Ryan and Will Goetter, rural carriers who have been transferred to the city work. The substitute appointed is Mr. Ervin of Portland.

The Ford Quick Service was awarded the contract for carrying students to and from the Gresham union high school who live at a distance too great to walk. Service began on Wednesday.

While the papers are full of stories about extending the Coos Bay line of the Southern Pacific south to Crescent City and Eureka, every statement that is made elicits an emphatic denial from the engineers of the company. The fact that there is a

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain—sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled cigarette unless you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real reason* for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite and parch!* You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheer-fullest investment you ever made!
