## DON'T RISK NEGLECT

Don't neglect a constant backache, sharp darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills, as have your friends and neighbors. An Oregon City case.

Thomas Trembath, 310 Sixth St., Oregon City, says: "I have found Doan's Kidney Pills, procured from Huntley Bros. Co.'s drug store, an excellent medicine and they have my endorsement. I used them on two occasions when my back and kidneys bothered me and they certainly made the soreness and lameness in my back disappear in short order." (Statement given April 4, 1913.)

On April 17, 1916, Mr. Trembath said: "Whenever my back gets to hurting or my kidneys are out of fix, a few doses of Doan's Kidney Pills does the work."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Trembath has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

## Important Announcement

Ever zealous in our efforts to perfect our facilities for best serving our patrons and to maintain this store's maxim of always giving the BEST VALUES—we announce that beginning with our fiscal year, February 1, we will inaugurate strictly a cash policy of buying and selling.

## Charge Accounts Will Be Discontinued

By thus eliminating the expense and inestimable loss incident to the credit policy, we are at once enabled to give our customers the benefit of much lower prices on high-grade merchandise than can be offered by the other stores doing a credit business.

## Comparative Prices Will Be Eliminated From Our Advertising

Every buying advantage we gain goes straight to the people who patronize us. We ask a fair share for ourselves—no more. We have never taken more, consequently we have more than the mere satisfaction of succeeding—we have the consciousness of having dealt fairly with those who have given us success.

The true test of value-giving is the comparison of offerings here and elsewhere, and by such comparison we are willing to leave the decision to your own best judgment as to where you can be served to the greatest personal advantage.

It is gratifying to learn that another prominent concern has also determined to discontinue the practice of quoting comparative prices.
