Sudden Attack Brought Threat of Operation

MR. T. L. SHERMAN

Sent For a Bottle of Fruitola and Was Quickly Relieved of Gall Stone Trouble

After doctoring with several different doctors and getting no relief, Mr. T. L. Sherman, 17 Crocker Ave., Johnson City, N. Y., says he was taken very suddenly one night with severe pains and on calling the doctor was told he had gall stones and that an operation was necessary. Mr. Sherman writes, 'I had heard of Fruitola, so sent for a bottle and took it. I was relieved of a large quantity of gall stones, and continued the treatment. Now I am quite well, and have regained over forty pounds lost weight.'

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus laboratories in Monticello, Ill., and can be purchased in Oregon City, Portland, Canby and Hubbard at the Huntley Bros. Co.'s drug stores; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-active that is most effective to rebuild and restore the weakened, rundown system.

A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Ill.

A Seventy-Year Old Couple Mr. and Mrs. T. B. Carpenter, Harrisburg, Pa., suffered from kidney trouble. He says: "My wife and I suffered from kidney trouble and had rheumatic pains all through the body. The first few doses of Foley Kidney Pills relieved us, and five bottles entirely cured us. Although we are both in the seventies, we are as vigorous as we were thirty years ago." Keeping Yourself Well

HOW YOU GET SICK

Sometimes you overload your stomach with rich foods. Life may be an active one, and thus you may care for rally you eat. But a few days of inactivity show your system does not call for so much. You awake in the morning tired. Your body feels heavy; you know you are not up to the mark. Your digestion has not cared for the overload. Part of it remains. It generates gas that inflames the digestive tract. The laxative you take out the digestive fluids and need to absorb the life-giving elements. You know something is wrong. Your body gets weak, and soon opportunity is offered for some severe illness. Taken in time, the indigestion would not become serious. First remove the overload; then soothe the sore membrane; then build up the weakened body. It's simple to say, but not too easy to do. You need help. A tonic that will quicken digestion, help remove waste, soothe the soreness and arouse the system—that's just what you need. Perrina has an enviable record in this respect. It has aided many thousands in the last century to overcome just these conditions, and thereby prevent serious sickness. The tablet form is convenient for regular administration.
