JENNINGS LODGE

Mesdames William Booth and Carl Starker entertained on the evening of March 29 with a dancing party at the Lodge hall. After tripping the light fantastic they repaired to the Booth home, where delicious refreshments were served. The tables were artistically decorated with clusters of sweet peas. The invitation list included only Portland friends and enclosing the tables were Messrs. and Mesdames E. N. Blythe, R. H. Mort, H. G. Brown, Henry Booth, E. J. Hammond, J. O. Booth, Mrs. J. Barker; Misses Grace Bruce, Ida Butterworth, Marian Butterworth, Winifred Hammond, Delpha Hammond, Janet Booth, and Messrs. George Barker, Paul Perckett, Henry Drexell, Clinton Perckett and Mr. and Mrs. William Booth and Mr. and Mrs. Carl Starker.

The regular Parent-Teachers' meeting will be held on Friday afternoon. The program committee has been fortunate in securing Dr. Orel Welsh of Oregon City to speak on "Contagion and Laws Governing Quarantine." Parents should avail themselves of the opportunity to hear Dr. Welsh on this subject.

A beautiful and impressive service was held on Easter Sunday at the Grace church. The evening program of Easter songs and recitations was given by the members of the Bible school. The church was filled and the beautiful decorations of cala lilies, ferns and daffodils, with the American flags, made a splendid background for the tiny tots who took their parts so well. Mrs. D. Kelly and Mrs. O. B. Smith had charge of the splendid program. William Kaszi gave a splendid address on the Easteride and Rev. Smith received 10 new members into the church.

Jack Hampton and family have returned to their summer home for the season, accompanied by little Nancy Jane Hare, who will spend the summer at the Hampton home.

Mrs. James Bernard, who recently underwent an operation at the Oregon City hospital, is doing as well as could be expected.

Mr. and Mrs. Bartlett entertained a number of Portland friends at their new home on Sunday.

An automobile accident occurred on Sunday near the school house as a result of two drivers racing on the county road, and in which four members of a family were severely cut and injured. The driver of one car was pinned under the overturned car. Messrs. Kennedy, Ullabron, Bartlett and Deter carried the injured people to a nearby house and later they were taken to Oregon City for medical treatment. Too little regard for the safety-first signs which are near our school grounds is paid by many motorists.

The Commercial club road committee of Oregon City is planning to meet the people of this community at the Blue Front hall on Saturday evening, April 14, for the purpose of discussing and further enlightening the people on the \$6,000,000 road bond bill, which goes to the voters in June. Through the efforts of John Risley this meeting has been arranged.

Mr. and Mrs. Zimmerman are at present entertaining their daughter and son-in-law, who arrived yesterday from Walla Walla, Wash.

The Christian Endeavorers held a very pleasant monthly social on Friday evening at the church. The church was cozily arranged as a living room and centering the table were jonquils. In the "penny for your thought" contest, Homer Williams guessed the greatest number and received an Easter prize. Cake and punch were served after the evening games, in which fifteen took part.

At the home of Mrs. C. P. Morse the "Bluebirds" entertained with a charming little affair on last Friday afternoon. Spring blossoms and bluebirds were the decorations of the Morse home. An impromptu program by members of the class was much enjoyed, as well as a recitation

by Flora Alice Morse, and a song by Louise Morse, aged four years. Tea was served during the afternoon and a silver offering was taken, which pays for a class table. Those present were: Mesdames Shaver, Kelly, Jacobs, Altman, Sanders, A. E. Smith, Kennedy, Roberts, Morse and the Misses Gertrude Kennedy, Elizabeth Bruechert, Bessie Traut and Myrtle Berry.

ACT QUICKLY

Delay Has Been Dangerous in Oregon City

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of evidence of their worth. James Wilkinson, retired farmer, 201 Fourteenth St., Oregon City, says: "I had to get up often at night as I couldn't sleep on account of the pains and aches all over me and was quite stiff in my limbs. I used several boxes of Doan's Kidney Pills and today, although I am in my 70th year, I am hale and hearty." (Statement given March 29, 1910.)

Still Praises Doan's

On April 17, 1916, Mr. Wilkinson said: "I am ready to back up every word of my former statement recommending Doan's Kidney Pills. Whenever my kidneys get out of order, I take them and a few doses does the work."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilkinson has twice publicly recommended. Foster-Milburn Co.,

MOUNT PLEASANT

We had them three times on Easter, but they cost real money now. Our war is about as popular as our road bonds—one to 10 in favor of them.

The Mount Pleasant Commercial club has changed its name to the Community club.

Miss Ella Williams is at her home at Yakima with her brother.

We all mourn the death of John Thomas Apperson. All old timers who knew him went to him for advice on all matters and it was sure to be good and reliable.

Dave Thomas left Monday for Carlton, Oregon, on a fishing trip. He will be gone a week.

Dr. H. E. Maxwell and family left Monday for Medford, Ore., to locate in some business enterprise for a Seattle firm.

Word has been received that Charles Holmes' body had arrived at his sister's at Spokane and was buried with military honors. His many friends are glad that his body was returned home. It will be remembered that Charles died in Pekin, China, from pneumonia some time since. Of the Holmes family of pioneers, only one member remains, Mrs. Dan O'Neil of Rose Farm.

STAFFORD

The Oregon mist still descends at intervals, preventing some farmers on the lowlands from putting in their spring grain. But fall sown wheat and clover looks thrifty. Daffodils are smiling from every yard, but roses and small fruits are somewhat backward.

Mrs. Nussbaum was startled as she sat quietly at her machine sewing recently by a dreadful noise, the source of which she could not determine, but thought the chimney in the dining room had fallen. She investigated and found about six feet of plaster had fallen from the ceiling, making house cleaning an immediate necessity.

Stafford, with the surrounding country, is quite interested in the exercises at the Hazelia school house every Saturday evening. They have made their new school house a civic center where old and young meet to have a good time. Spelling, debating and other educational exercises are carried on, after which all join and play, mostly old-fashioned games, but very interesting to all. That, we

think, is a move in the right direction. Every country school house should be used for the benefit of all. It will tend to keep boys and girls on the home farm.

Miss Edna Aerni, Sabra and Thomas Nussbaum spent Friday night with Mrs. Gage.

Mr. Oldham went to Portland with his team and is plowing vacant lots there.

There is a general call for seed oats and especially the 90-day oats, as it is getting late and the farmers must meet the demands of the people.

We listened for the new church bell to ring Easter morning, but the crowd was there just the same. The new Easter suits were out in full display, and the exercises were splendid. The new minister gave a splendid sermon and should be congratulated by his congregation for starting as a minister as young as he is.

One of S. Wright's work horses had its jawbone broken by a kick from another horse.

PURE BLOOD.

Twenty-four hours after you start to take Dr. Pierce's Golden Medical Discovery, poisonous matter and blood impurities begin to leave your body through the eliminative organs.

It brings new activity to the liver, stomach and bowels in a short time, thus causing sallowness, indigestion and constipation to disappear.

It enters the tiny blood vessels of the skin, bringing with it fresh vitalized blood; and abiding faith in its wonderful cleansing power has come to thousands, when pimples, boils, carbuncles, rash, eczema, acne and other skin troubles dried up and disappeared.

Good blood means good health; good health means strong men and women, full of vigor and ambition, with minds alert and muscles ever willing.
