MOUNTAIN VIEW

The beautiful days we are having are a boon to the fields and gardens, and the roses, though late, are opening their petals in fragrance. School is out and a number of people are leaving for the strawberry fields at Hood River.

Mrs. Maud Stevens and her two nieces, Nettie and Alpha Stevens, left last Wednesday for the Hood River country.

George Taylor, who was hurt in a runaway near Molalla, is more seriously hurt than at first supposed and is unable to be up.

Lyle Currin left last Monday for Telluride, Colorado, where he will spend the summer with his uncle, Frank Currin.

Creek, have been visiting relatives here for the past two weeks.

Mr. David Story and wife, of Wolf Mrs. John R. Gladden, of Portland, visited Mrs. R. M. C. Brown the latter part of the week. She expects to go to Seaside for the summer, where she owns several cottages.

Married, last Sunday at the Baptist parsonage by Rev. W. T. Milliken, W. G. Hall, of this place, to Mrs. Lillian Wink, of New Era. Only a few of the friends of the contracting parties were present. After the ceremony the parties motored up the Columbia highway. On their return in the evening to the home of the bride a large delegation of neighbors and friends were awaiting them and a pleasant evening passed and a sumptuous supper served. The bride is well known and highly respected. Mr. Hall is a partner in the grocery store here of Everhart & Hall, and has lived here a long time, being well known as a businessman and a gentleman. He has a pretty home newly built here, where they expect to reside about the first of September. At present they are caring for the farm of Mrs. Hall near New Era. We wish them many years of happy married life.

Another wedding in our little city is that of Miss Leona Torrance and Everett Cross.

Mrs. Frank Beard, of Molalla avenue, has gone to Wanaqua on the beach, where she will spend several weeks in hope of regaining her health after a severe attack of measles. Her little daughter, Opal, accompanied by Miss Ruby Gibson, started for the same place last Thursday.

What Is Uric Acid?

THE CAUSE OF BACKACHE, RHEUMATISM, GRAVEL AND SUDDEN DEATH.

Ever since the discovery of uric acid in the blood by Scheele, in 1775, and the bad effect it had upon the body, scientists and physicians have striven to rid the tissues and the blood of this poison. Because of its overabundance in the system it causes backache, pains here and there, rheumatism, gout, neuralgia and sciatica. It was Dr. Pierce who discovered a new agent, called "Anuric," which will throw out and completely eradicate this uric acid from the system. "Anuric" has proved to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send Dr. Pierce, of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., for a pamphlet on "Anuric," or send 10 cents for a trial package of "Anuric Tablets." If you feel that tired, worn-out feeling, backache, neuralgia, or if your sleep is disturbed by too frequent urination, go to your best drug store and ask for Dr. Pierce's Anuric Tablets. They are put up in 50-cent packages.

Doctor Pierce's reputation is back of this medicine and you know that his "Golden Medical Discovery" for the blood and his "Favorite Prescription" for the liver have had a splendid reputation for the past fifty years.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny Sugar-coated Pellet a Dose. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.

It looks as though we will have Molalla avenue hard surfaced. One block is completed and we hope the good work will continue, for this street surely needs it and is one of the most traveled public thoroughfares leading to Oregon City.

Mrs. E. D. Van Auken celebrated her birthday June 12th by entertaining her Sunday school class of 12 girls in the afternoon. The time was pleasantly enjoyed in music and games. The hostess served ice cream and cake.

Quite a number from here attended the exercises at Hazella school house last Saturday evening.

mat of myrtle roots, and will have it planted to potatoes in hopes that frequent hoeing will help to kill it out.

CHERRYVILLE

The sunshine and warm days are a great blessing to crops.

Some yearling lambs here sheared as high as 12 pounds of wool apiece. At 50 cents a pound, this is a good revenue.

Classifiers for the railroad land are working this way and the squatters can soon make arrangements about securing title to the land. It appears that all squatters on the land continuously since December, 1913, will have prior rights. The most of the land, however, will be granted by lottery, so a squatter was told by a land official in Portland lately. There are a number here who have made some improvements less than a year ago. Notwithstanding this is one of the greatest clover, potato and fruit countries in the world, railroad attorneys told the public a year or so ago that this land had no value for agriculture.

Wm. Webber discovered a den of coyotes lately south of town, but neglected to get around in digging them out at once and when he returned with help and shovels the old wolf had moved her family to other and safer quarters.

Dr. Botkins celebrated the 76th anniversary of his birth on Friday of last week at his place one half mile east of the postoffice. The doctor is a physician of many years' practice in Illinois and Portland, but came out here for his health. He is also an old soldier, having seen service in the Civil war in the western army during the entire period of strife.

DAMASCUS

A picnic at the school grounds was a big event which took place last Friday. Under the efficient supervision of the principal, Mrs. Anna Bachman, and assistant, Miss Lingle, it was a pleasure from start to finish. An interesting debate between members of the School Industrial club was a feature of the morning entertainment. The question was, "Resolved, That the horse is more intelligent than the dog." The negative side won the contest. The heaped up baskets were opened in the afternoon and all present partook of a sumptuous feast in the picnic grounds. Ice cream was served later, much to the pleasure of the little folks.

The Parent-Teachers' association met in the afternoon and various topics were discussed. The reelection of the same officers took place. After this went home with beaming faces after having carried off a prize as "fleet of foot."

BE RID OF THAT ACHE

If you are a sufferer with lame back, backache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend?

James Wilkinson, retired farmer, 201 Fourteenth St., Oregon City, says: "I had to get up often at night as I couldn't sleep on account of the pains and aches all over me. My limbs were stiff, too. I used several boxes of Doan's Kidney Pills and today, although I am in my 70th year, I am hale and hearty." (Statement given March 29, 1910.)

STILL PRAISES DOAN'S

On April 17, 1916, Mr. Wilkinson said: "I am ready to back up every word of my former statement recommending Doan's Kidney Pills. Whenever my kidneys get out of order a few doses of Doan's fix me up all right."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilkinson has twice publicly recommended. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

ERICKSON'S WIFE SUES

Property at Milwaukee Is Recorded in Her Name

To add to the other troubles of August Erickson, who received sentence on three charges Friday, Mrs. Maria Erickson has brought suit for divorce, claiming he abused her and has an uncontrollable thirst for intoxicating beverages, which, when indulged, is not conducive to her peace of mind. Erickson was sentenced to three months in the county jail for operating slot machines, three months for manufacturing liquor and one month for having liquor in his possession, the sentences to run concurrently. He has pleaded guilty to maintaining a nuisance in the form of the Clackamas tavern, near Clackamas, and was sentenced to six months and \$150 fine and costs on this charge

by Judge Campbell Monday. The tavern property is recorded in Mrs. Erickson's name.
