

PRICES FOR CATTLE RANGE 25 TO 55 CENTS HIGHER

Monday's receipts at the Portland Union stockyards were 800 cattle, 1000 hogs, 400 sheep.

The market in beef steers was active, with prices ranging from 25 to 55 cents higher, which was the first real upturn the market has had for about a month.

Buyers had to step lively to get in at all on the supply, which was sold out in the early morning hours. All killers seem to be in need of immediate supplies.

While there were no strictly fat steers in the entire run, with the exception of one head at 10.50, they are quoting prime hard grass steers from \$10.25 to \$10.50.

Four loads of very good California steers brought \$10.00, which sold about 25 cents higher. Several loads of very good yearling steers brought the biggest advances for the day, most of which sold 50 cents higher, with one sale fully 55 cents higher.

Sales on these grades ranged from \$8 to \$9.50. Demand for killers did not seem to want and prices were fully steady with a week ago, and in many cases 25 cents higher, that is, on fat stuff.

The best cows sold from \$8.25 to \$8.75, with a few choice heifers going at \$9. Thin dairy bred stuff, of which there was quite a spread Monday, got only steady bids. Prices ranged from \$5 to \$7. There were only a few thin bulls on the market, with very little demand and steady prices.

Best heavy bulls sold from \$7 to \$7.75. With the smallest Monday run of hogs in years on the market, it did not seem to have any effect on prices.

All the sellers could do was to get a steady bid. Demand continues very light. Several loads of prime hogs brought \$15.25 for the bulk of good hogs. Packers were not willing to give over \$8.15.

Pigs and grass hogs are still being cut very hard with the bulk bringing \$12. Prices in the sheep house are from 25 to 75 cents lower than a week ago, although there was a steady market Monday.

MOTHERHOOD WOMAN'S JOY Suggestions to Childless Women.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is the ability to correct sterility in the cases of many women. This fact is well established as evidenced by the following letter and hundreds of others we have published in these columns.

Poplar Bluff, Mo.—"I want other women to know what a blessing Lydia E. Pinkham's Vegetable Compound has been to me. We had always wanted a baby in our home but I was in poor health and not able to do my work. My mother and her husband both urged me to try Lydia E. Pinkham's Vegetable Compound. I did so, my health improved and I am now the mother of a fine baby girl and do all my own house work."

Just What She Needed When women complain of weariness, loss of strength and vitality, backache, pains in sides and hips, dull headaches, dizziness, floating specks, and similar ailments, they too often accept these troubles as their lot because they are women, when the ailments may be the results of disor- dered kidneys. Mrs. Mary V. Bunker, Milton-on-the-Hudson, N. Y., writes: "I am now on my second bot- tle of Foley Kidney Pills. They seem to be just what I needed." Try them.—Jones Drug Co.
