**Women's Work in the Home Offers as Many Opportunities for Improved Methods as Man's Work in the Office and Factory**

**MEN ARE CONSTANTLY systematizing their work. They do this to save time, labor and money. Thus their work becomes pleasanter, because it brings BETTER results SOONER.**

Formerly it was not uncommon to see men laboriously adding columns of figures. Now they do it ELECTRICALLY.

A little machine with current attached needs but the pressing of a few buttons, and presto! Your bookkeeping is DONE FOR YOU! Just think of the saving! Indeed mere man DOES think of it—so much so that it is quite out of date nowadays to add in any other way.

The modern office has shortened its hours and decreased its labors not only by the adding machine but by the billing machine, the typewriter, the telephone, the cash register, and a hundred other inventions for simplifying and increasing the efficiency of man's daily tasks.

What these devices have done to make MAN'S work hours more productive and more pleasant, ELECTRICAL COOKING can do for WOMAN'S.

**THINK!**

As a housewife who is proud of her home, it will pay you to find out how the ELECTRIC RANGE will do for your work what the typewriter, the telephone and the adding machine have done for man's.

**MOUNT PLEASANT**

The Mount Pleasant graduation class gave a most delightful entertainment last Thursday evening, and after the play they retired to the Commercial hall, where they danced and had some refreshments. Everybody enjoyed the evening.

Mr. Hartke had a narrow escape Sunday afternoon, when his house caught fire. Owing to quick work slight damage was done.

S. O. Dillman's new house is well under way. D. A. Cruse and Mr. Meeker are the contractors.

W. J. Hiatt and Arthur Osborne each have a new telephone installed in their houses.

Mount Pleasant school meeting on Monday resulted in the election of Chris Naegli as director for three years and Ward Lawton as clerk.

We are wondering what course the county court will pursue in regard to the road supervisors. We thought we were going to be rid of that graft of \$2.50 a day, working one or two men all summer to draw their salary.

Mount Pleasant will be well represented at Kate O'Hare's meeting.
