

## Of Interest to Every Owner of a Building, a Vehicle or an Implement

Huntley's Paint Store is a fully equipped, up-to-the-minute paint store. That may sound like "Billy Brag," but it's a fact!

That's just what we have.

It's a paint store in every sense of the word.

A place where you can talk face to face with a paint man who knows the paint business from "a to z."

He can give you valuable help and information about any kind of paint or painting, and he'll give it to you, too. Not grudgingly, but cheerfully, and interestingly, and then if you buy elsewhere he'll smile and be happy just the same.

Give us a chance on any paint job you have, big or little, that's all we ask.

We can and will make good. And we'll be here this year and next year and the next year where you can make a kick if we fail.

Anyway look us over; as we said in the start, we've got a real paint store—we're proud of it and want you to be, too.

### Has Recovered Her Health

So many women are suffering from similar afflictions that this testimonial letter from Mrs. Laura Beal, Plattsburg, Miss., will be read with interest: "I got in bad health. My left side hurt all the time. I took doctor's medicine, but it did me no good. I took two bottles of Foley Kidney Pills and I feel all right now." Backache, rheumatic twinges, pains in side, swollen and sore muscles and kindred symptoms are quickly relieved by Foley Kidney Pills.—Jones Drug Co.

### STATE CONVICTS JOIN RED CROSS AID WORK

While many persons in fortunate circumstances have failed to cooperate in the work of the Red Cross, an example has been set by 129 inmates of the Oregon State penitentiary at Salem, who have joined the order, paying the regular initiation fee of \$1 each. "Their membership involves a personal sacrifice in almost every case," said Mrs. Etta Squier Seley, of the Willamette chapter, "and they deserve high commendation." Willamette chapter, of Salem, the largest in Oregon, has shown phenomenal growth, until its membership is now in excess of 6,200. The chapter has 120 auxiliaries. It has shipped four boxes of hospital garments and surgical supplies and has six more ready for shipment. The chapter has classes in first aid, elementary hygiene and home care of the sick and preparation in surgical dressings.
