

SCHOOLS OPEN WITH A PROMISING ENROLLMENT

Book stores were the center of business interest in Oregon City this week and children starting to school again have kept clerks busy. Enrollment with the opening of the grade and high schools Monday morning was said to presage a considerable increase over last year.

A total of 372, or more than had registered at the end of the first month last year, was enrolled at the Eastham school. At the Barclay school 307 enrolled and more will come in during the next few weeks. The high school fell short of a record-breaking registration, but, even there, 300 pupils signed up. Many of the high school boys have followed the colors and others are forced to take the places in business left by those who have gone to war.

Following the opening of the schools the school board held a special meeting Monday night to authorize a course in Spanish for the high school, and this work will be undertaken at once. The board also announced the appointment of a high school librarian, Miss Frances Bowland, to have charge of the rapidly growing collection of books in the building. Superintendent F. J. Toose takes special pride in the library and through purchase and donation has secured a fine library. The school board authorized the expenditure of \$200 for work on the grounds about the Barclay school building, and the amount will be spent to put them in the best possible condition.

TEEVIN SENT TO CAMP

Divorce Suit Pending Does Not Affect Medical Tests Waived

Joseph Francis Teevin of Damascus, left here Wednesday for Camp Lewis at American Lake, Wash., to take up the duties of a soldier in the national army without the right of appealing to the board for exemption and without even undergoing medical examination. Teevin was ordered to report before the local board on August 9, but had left the county without advising the authorities of his destination. Tuesday the young man appeared before the board and under the rules of the draft was ordered to report immediately at American Lake. Teevin, it appears, had been working on an eastern Oregon ranch and had not received a notice. His attorney in Portland heard of the matter and advised the young man to get back here promptly. Teevin has a divorce suit pending against his wife and is the father of three children. It is said that Mrs. Teevin contemplates filing a cross complaint in the divorce case and that action will be held up for some time, so that Teevin's plea to be allowed to await its outcome was not availing.

CITY SELLS BONDS

Buck Will Operate Garbage System in Business District

At a special meeting last week night the city council disposed of \$11,130.18 worth of municipal improvement bonds, for which Morris Bros., of Portland paid par and a premium of \$309 and interest. The bonds are designed to take care of the cost of certain delayed sewer work on the hill.

A business district garbage system was proposed at the meeting Monday night and an ordinance licensing George W. Buck as the operator of such an agency was read for the first time. It will be disposed of at a meeting on October 3. Mr. Buck promises to collect garbage between the S. P. tracks and the river from homes, hotels and restaurants and for that privilege will collect rubbish from the stores and houses in the same district. One of Oregon City's great needs is a garbage collection and disposition system and the council willingly granted Mr. Buck's application as a partial help along this line.

MASONS LEND ROOM

Honor Guard and Red Cross Workers Aided by Lodgemen

The Masonic lodge of Oregon City has expressed in the following hearty letter its pleasure in permitting the free use of its lodge rooms by the Girls' Honor Guard and the Red Cross.

"Your letter sent to the Masonic lodge was turned over to me as one of the trustees of the building, and will state that the trustees take the greatest of pleasure in helping the Red Cross and Honor Guard girls in the noble work which they are performing, by permitting them to use the room as long as they wish.

"We appreciate the chance of helping out these organizations in the great work which they have undertaken and if there is anything else we can do for you, and it is in our power to do it, it certainly will be done."

The letter is signed for the lodge by E. A. Chapman, secretary.

ASSOCIATION ELECTS

McLoughlin Home Managers Want Public Comfort Station

The McLoughlin Memorial association Friday night elected E. G. Caulfield as president of its board of trustees, and outlined plans for securing a public comfort station for McLoughlin park at the top of Singer hill, where the old residence of Dr. John McLoughlin is located. The Rev. A. Hillebrand was elected vice president and other officers are: Joseph E. Hedges, secretary; Mrs. Mary Stevens, Mrs. Eva Emery Dye, George A. Harding, E. E. Brodie, Charles H. Dye and Percy Caulfield, trustees. An application from the Woman's club for permission to hold meetings in the McLoughlin home was denied because of poor lighting and heating facilities in the building.

Fall Opening Display and Announcement

It is with great pleasure that we announce to our friends and customers that our new and up-to-date Furniture Factory is now completed and is running to the fullest extent of its capacity.

We have a modern day-light factory with all the equipment necessary to manufacture high grade furniture. Our many years experience in the furniture manufacturing business, together with the efficiency of our factory puts us in a position to manufacture high grade furniture and sell it to you at our competitors' cost.

This announcement contains good news for every home owner in Clackamas County. Read every word of it—it means a genuine, bonafide, Dollar-saving opportunity to you. It means money saved on your home furnishings. It means money spent at home to help a local industry backed by local capital. We appeal to your civic pride; your sense of fairness, and ask you to buy at home because it's made at home, because the quality is higher and the price is lower.

Our factory output will be marketed through our store. The price will be the wholesale price, the same as our competitors have to pay for furniture when they buy it from other factories.

The Busch Furniture Manufacturing Co.

OREGON CITY, OREGON

The line is on display and sold to the public through

Frank Busch

Clackamas County's Leading Furniture and Hardware Store.

YOUTH HAS MANIA FOR STEALING AUTOMOBILES

Charged with the theft of several automobiles, Thomas Moore, aged 19, son of John Moore, of Mount Pleasant, is being sought by county officers. The lad is specifically charged with taking the machine of Gordon McKillican from West Linn on Sunday morning. McKillican drove his machine from his home in Mount Pleasant to West Linn, where he is employed, and he has not seen it since.

Thomas Moore was paroled from the state training school three months ago. He worked for a short time and suddenly disappeared with his father's automobile. Some time later the car was found, but the boy was not seen again until last Saturday night, when he appeared at home and was about to start away with the car again when his mother stopped him with a threat to call the officers. Thomas then is said to have stolen his father's rifle and fled. The gun was found Sunday in a shack on Mount Pleasant, where, it is claimed,

the boy had also attempted to steal a car owned by Arthur Smith. The gasoline was low and the machine was abandoned, and the young fellow then went in search of the McKillican car, it is claimed.

Never Bothered Since
After suffering with terrible pains in his back and around his kidneys for eight years, and after having tried several doctors and different medicines, Alvis Souers, Ade, Ind., writes: "Foley Kidney Pills were recommended to me and the first bottle removed the pain. After taking three bottles the bloating was all gone and has never bothered me since." When relief can be had so quickly why not banish backache, rheumatic pains, stiff and swollen joints caused by disordered kidneys?—Jones Drug Co.

for an alleged assault on a 10-year-old girl, was held for grand jury action under \$1000 bail in municipal court on Tuesday.

PERRY IN BAD AGAIN
Paroled in Clackamas, Youth is Nabbed in Portland
August Perry, in jail at Portland

Representations were made that the young man wanted to go to war, but when it was shown he had gone first to the reform school, thence to the city and county jails in succession and finally "graduated" into the state penitentiary, Judge Rossman decreed the army would do better without him. Perry is on parole for burglary in Clackamas county.

Bittner Wants Citizenship
Edward Bittner, a papermaker, living at Gladstone, seeks full citizenship rights through a petition for final certificate filed in County Clerk Harrington's office Saturday. Bittner is a native of Volynsky, Russia, and is 26 years old. He has three children. Mr. and Mrs. Bittner came here from Canada in 1912.

The Oregon City Courier and the Oregon Daily Journal (except Sunday) for \$4.75.
