Worst Winter in Years

Snow, wind and extreme cold caused more colds this winter than in past

years. Foley's Honey and Tar proved its worth in thousands of homes. Men, women and children checked colds and coughs and prevented serious consequences from exposure. It cleared the passages, healed raw inflamed membranes, banishes irritation and tickling throat. Mrs. Edward Strey, R. 37, Clinton, O., says: "I think Foley's Honey and Tar the only medicine for coughs and colds and recommend it highly."—Jones Drug Co.
