### DOGS IN DANGER

#### Police Are Instructed to Take Up All Unlicensed Canines

At the council meeting last night, the mayor gave explicit instructions to the chief of police concerning the stray dog situation. Every canine in the city over four months of age must have a license. The chief of police is now in receipt of the new tags for this purpose, and one must be attached to the collar of each dog running at large. A number of complaints have been received by the city officials concerning the situations, and they are determined that direct action be taken. Poundmaster William Knoop, in conjunction with the police force, will take up every dog that is found at liberty without the license tag.

### Service Flag Dedicated

A large though inadequate service flag for former O. A. C. men now in military service, was presented by the student assembly to the college at convocation last week. The flag bears 1056 stars—1050 blue for the men living and six gold stars for the dead. President Kerr announced that already a new flag is under way for the additional men who will join the colors prior to commencement. Already about 200 new stars are needed.

### Hear From Son

The Price of Cotton is Soaring Higher Ever Higher—but the Price of **Wirthmor Waists** is Still the Same

—It is a most unique and economical merchandising plan that enables us to still sell these wonderful Wirthmor Waists at \$1.00.

—The price of cotton and cotton fabrics has advanced excessively—recently reaching the highest figure since Civil war days, and still the price of WIRTHMOR WAISTS remains the same.

—In these deservedly popular Blouses the materials used are just as good as ever; they'll wear as well; they'll launder as well; they're made as finely; and the STYLES are just as genteel and pretty as in the past.

—Only the vast volume of WIRTHMOR sales, the many large economies of the WIRTHMOR PLAN, coupled with the forehand purchase of material and a fixed purpose on the part of retailer and maker to hold down price accounts for these truly remarkable values.

### PORTLAND REALTY COMPANY DEFENDANTS IN LARGE SUIT

In a suit filed late Friday afternoon at the county clerk's office, Clara E. Morey commenced action to recover on a note given by the Glenmorrie company, a realty company of Portland. The basis of the action is a promissory note, given June 15, 1910, for the sum of \$267,767.50, and due five years later. This note was signed by Franklin T. Griffith, president of the Glenmorrie company, and is secured by a mortgage on certain properties in Clackamas county. The complaint alleges that the payments on the note have not been met, and that the sum of \$26,666.20 is all that has been paid. There is a total interest due of \$116,508.80, of which \$12,905.77 has been paid, leaving a balance of \$103,602.03 in interest due.

The plaintiff, through her attorneys, asks that the mortgage be foreclosed, and that a judgment in the sum of \$241,101.30 for unpaid principal be entered, with the further

A SLOGAN chosen by the many men who have Worked for : : : L. J. SIMPSON

Your Kind of a Man for Governor

The Highest possible endorsement. The most rigid test that his policies, practiced over a period of twenty years, are SOUND, JUST and EFFICIENT. THE BEST POSSIBLE PROOF that his pledges to the citizens of Oregon are not mere "words," but "WORDS BACKED BY WORKS."

Those who know him believe IN him, believe IN his ABILITY, believe IN his POLICIES. They know he will give Oregon a CLEAN, IMPARTIAL, BUSINESS-LIKE administration. They know it to be true, ABSOLUTELY. WHY?

Because—

In nineteen years he has employed 21,000 men. He has always paid good wages. He never had a strike of a personal injury suit. He built many homes "on time," never foreclosed a mortgage or sued on a promissory note. He has helped many laboring men to acquire their homes, their business and their livelihood. These workers, who know him best, have endorsed him to a man. He has adopted the above slogan and that's "WHY" he is "Your Kind of a man for Governor."

## The Brunswick

### All Over Town People Are Talking About the New Brunswick

THE new Brunswick Method of Reproduction has met with instant acclaim. And music lovers predict for The Brunswick complete leadership.

Never before have people known such an advanced type of phonograph. It lacks all the crudities of yesterday.

Tone is more natural than ever before. The most difficult selections, such as piano and orchestra, are played with absolute fidelity.

The Brunswick Method of Reproduction includes The Ultona. Now all records can be played in the exact way each requires. A turn of the hand and the proper needle and diaphragm are presented to each type of record.

Heretofore one-record instruments have prevailed. Some require attachments. None of the leading phonographs can offer the advantages of The Ultona.

Your ideas of phonographic values are bound to change now. You cannot be satisfied with yesterday's standards. Times have changed.

Come in today and hear the wonderful Brunswick-Balke-Collider Co. See if you do not agree that it is the most perfect.

- ☐ I have served Six Years as Truant Officer
- ☐ I have served Six Years as Constable
- ☐ I have served Six Years as a Deputy Sheriff
- ☐ I have served Six Years as Juvenile Officer

During that time my duties have brought me into close contact with thousands of people—men, women and children, and I believe have perfectly qualified me for the position which I now seek at the hands of the voters.

I have no favorites to put into office—I have made no promises of appointment, and if nominated and elected the taxpayers can depend upon it that they will always receive a square deal. I know the demands of the office of sheriff as to deputy hire, and honestly believe the expense can be materially cut down.

If you want a man that will always work for your interests, and believe in a square deal to all, then I ask your support at the primaries on May 17.
