and Mrs. T. D. Crader. Mr. Himeric will work on the Carver line. Frank Wheeler has joined the colors and expects to leave about the 20th.

L. T. Mumpower has been having several pets on his arm—some of the same as Job's afflictions. The very sudden death of Mark Sprague, which occurred at the Pendleton hospital on June 1st, was a great shock to his many relatives and friends at this place. Mark, as he was known by all, spent the greater part of his life here and was but a very small lad when his father died. He was ever ready to help mother while with her. Mark, with his wife and baby, moved to Echo last year and had just completed planting, with his partner, some 600 or 800 acres of grain. He was taken with pneumonia and lived but a few days. The funeral was held at the church at Stone. Services were conducted there by Mr. J. L. Love, of Molalla. The Oddfellows held the burial services at the grave. Many friends were present to extend sympathy and assistance in that sad hour. Mr. Sprague leaves, beside his wife and son, three sisters, one brother. On account of illness, a sister, Mrs. Pierren, of Okanogan, was not present at the funeral.

On my return home I began using Foley Kidney Pills and found immediate relief; a half bottle completed the cure." This is further proof that these wonderful pills give relief where other treatments fail. Unequalled for weak, sore, aching kidneys, bladder, back, muscles or joints.—Jones Drug Co.

EAST CLACKAMAS

The warm weather has come at last, and every farmer is mighty glad that old Sol has showed up good and hot, as that will greatly aid in ridding the crops of the bugs and pests which are trying to get the best of the farmers here.

Last Saturday evening a patriotic program was held at the meeting of the American Loyalty League, in the school house. A good time was enjoyed by those attending.

Mr. and Mrs. E. O. Boyer and daughter, Edna, departed on Tuesday, May 28th, for Claremore, Oklahoma, where they will make an extended visit with relatives. If nothing scares them out, they will return in a few months as good old Oregon—as nearly every one does who goes away from here.

Have You an Imp or a Fairy in Your Kitchen? The Imp of Bad Air The Good Fairy of Pure Air You know how bad the air can get in your kitchen when the range is in operation—how distressing the smoke or gaseous fumes become. That they are positively dangerous you may not realize until you notice that plants wither and die in the poisonous atmosphere. Where plants cannot live, no human being can thrive. Your health demands the elimination of these noxious gases, the banishment of the IMP OF BAD AIR. Because it has no flame, the Hughes Electric Range has no poisonous fumes to vitiate the air and endanger the health. Nor is there any smoke to choke the lungs. The air is pure—free from the insidious gases so destructive that even plants cannot survive in air contaminated by them. Plants thrive in a kitchen equipped with a Hughes—a sure test of the wholesomeness of the atmosphere. Think how much more comfortable you will find it to work in a kitchen that DOES NOT GET STUFFY. SUMMER COURSES ARE FULL OF VARIETY AT U. OF O.

The work of the Greater Oregon committee, which always has for its chief purpose the promotion of University interests of every nature, is devoting its energies solely to obtaining new students and to advertising the splendid courses which Oregon has to offer high school graduates of this year, college graduates who desire additional work to prepare them for war service, teachers and anyone else who feels the urge to be learning and to keep pace with the unprecedented events of the present time.

The Greater Oregon club is represented in this county by Mrs. Alice Benschadler, of Canby. Altogether there will be thirty-three instructors at the U. of O. Summer school, each a specialist in his field, and the courses will include art and the history of art, biology, food administration, general science, history, journalism and literature—everything which the ordinary winter curriculum includes.

Particular interest is manifested in the military courses and Red Cross instruction, as well as in the French courses. War co-operation will play an important part in the summer school program, and in addition to the military and Red Cross phases, there will be a special opportunity offered to women to prepare themselves for teaching subjects formerly taught by men, and special physical training courses for intending soldiers and for high school and grade teachers.

Last Friday morning, at assembly, City Superintendent of Schools, F. J. Toose, made an excellent address to the students on the value of higher education. His remarks were greatly appreciated by the classes. At the close of the address, Gordon Fauley, on behalf of the students and faculty of the schools presented Superintendent Toose with a diamond scarf pin, nicely mounted in platinum setting. This is Mr. Toose's last term as superintendent, he having served eight years in that capacity. His successor is W. J. Kirk, formerly of Tillamook, Oregon.

Young Business Man Beated Homer Tarpley, by his guardian, has filed a suit here in which he seeks to recover \$725 from a former partner, C. H. Douchy, for alleged misrepresentation. It is claimed that the plaintiff put \$625 in cash and \$100 in labor in on a garage proposition at Parkplace, on the representation of the defendant that business was good. The plaintiff is a minor, and claims he did not understand the matter thoroughly at the time.
