MANY TO ENTER STUDENT ARMY

(Continued from Page 1)

The student-soldier will be given military instruction under officers of the army and will be kept under observation and test to determine their qualifications as officer-candidates, and technical experts such as chemists, doctors, etc. After a certain period the men will be selected according to their performance and assigned to military duty in one of the following ways:

- (a) He may be transferred to a central officers' training camp;
- (b) he may be transferred to a non-commissioned officers' training school;
- (c) he may be assigned to the school where he is enrolled for further intensive work in a specified line for a limited specified time;
- (d) he may be assigned to the vocational training section of the corps for technical training of military value;
- (e) he may be transferred to a cantonment for duty with troops as a private.

5. How is the S. A. T. C. organized?—The Students' Army Training Corps consists of two groups, section A, which consists of men who have at least thirteen units of high school credit who receive training primarily intended to prepare them for officers' commissions, and section B, which consists of grammar school graduates who will receive vocational and technical training as carpenters, blacksmiths, automobile mechanics, cement workers, etc.

7. What pay does a member of the S. A. T. C. receive?—A student

in the S. A. T. C., by voluntary induction, becomes a soldier in the U. S. army, uniformed, subject to military discipline and with the pay of a private. In other words, beginning October 1st, 1918, each member of the S. A. T. C. at the university receives his uniform and equipment, the payment of his incidental fee and student body tax, his board and lodging and \$30.00 per month. The university charges no tuition.

8. What must be done to become a member of the S. A. T. C. at the university?—A student who wishes to take advantage of this new opportunity for officers' training should apply at once for admission on blanks provided for that purpose, which includes a certificate of scholarship to be signed by the high school principal. These blanks he can secure either from the registrar of the university or from his high school principal. All high schools in the state have been supplied with the necessary blanks. It is important that these applications for admission should be sent in at once. Only men who have completed at least thirteen units of high school work or the equivalent, are admitted.

9. What is a student's relation to the army?—The members of the S. A. T. C. will be soldiers on active duty, uniformed, subject to military discipline and with the pay of a private.

10. How long will members of the S. A. T. C. remain in college?—No definite time has been set but probably from three to six months. It seems likely, however, that eighteen year old boys may remain in college during the entire year.

11. Are boys under twenty-one eligible for officers' commissions?—Yes, the rule has been changed and anyone 18 years of age or over and possessing the proper ability is eligible for a commission.

12. What physical requirements are there?—All men must pass the regular army physical examination. Medical and dental officers will be detailed to the university to care for the health of the men.

13. Are limited service men eligible for induction into the S. A. T. C.?—Yes. Limited service men go in on the same basis as anyone else and receive the same pay and allowance.

14. Can a student enrolled in the S. A. T. C. choose the branch of service he wishes?—Opportunity will be given for the student, who so elects, to transfer from army to navy, or to be assigned to one of the various corps of the army upon recommendation of the president of the university and the military authorities.

15. Can boys who have finished the high school but who are not yet 18 enter the S. A. T. C.?—Students under 18 years of age may enroll in the corps but probably will not receive pay, uniform, rations and quarters until they reach 18.

TO KEEP WELL
A Teaspoonful of PERUNA
Three Times a Day

Has Never Been Down Sick Since Taking PERUNA

Read this letter from Mr. Robt. Minnick, Grass Range, Montana.
"In 1909 I was out in Kansas running a threshing engine and the threshing crew had to sleep out of doors. One of the crew brought a Peruna Almanac to the engine one day and I was feeling very ill from sleeping out. I decided to give Peruna a trial and sent for a bottle of Peruna and a box of Peruna Tablets, which straightened me out in a hurry.
"I have never been down sick since that time. I do not take any other medicine except Peruna. I always keep it on hand. If I get my feet wet, get a cold, feel chilly, or a little bad, I always take Peruna. People should not wait until they are down sick and then take it, but should keep it on hand like I do and when they feel bad, they should use it."

YOU CAN'T BEAT GOOD OLD CLACKAMAS COUNTY

If all signs don't fail, Clackamas county will carry off at least one honor from the state fair at Salem this year, which will be in the canning contest. The youngest team in the contest Tuesday was made up of Clackamas county young maidens in the persons of Alice Hulienberg, Helen Erickson and Hermina King. This youthful contingent carried out the processes of the canning of tomatoes and beans with precision and quickness that astonished the audience, and if this little delegation wins first prize, they will be sent to compete against the Washington team at the inter-state contest to be held Saturday. The young ladies were trained by Mrs. W. A. Barnum, of the state college extension service, Alice Hulienberg and Helen Erickson are 13 years of age, and little Miss Hermina King is only 11 years of age.

DISTINGUISHED SPEAKER HERE TUESDAY EVENING

Captain T. E. Y. Sedden, member of the New Zealand parliament, soldier and orator, addressed a large audience in this city Tuesday evening in front of the Liberty Temple. Captain Sedden has been three years on the firing line in Europe, and has been wounded and gassed several times. He came to Oregon City under the auspices of the Girls' Honor Guard association and the fourth Liberty Bond committee. His address was listened to with intense interest by the audience, and he gave a graphic description of conditions in Europe.

Joseph E. Hedges was chairman of the meeting and the following program was presented: "Star Spangled Banner," by the audience; vocal solo, Miss Lorraine Lee; vocal solo, Miss Naomi Armstrong; selections by the Philippine orchestra; vocal solo, Homer Hollowell.

Tried Many, Found The Best

Good digestion is the foundation of good health. Foley Cathartic Tablets keep the bowels regular, sweeten the stomach and tone up the liver. There is nothing better if one desires an old-fashioned, harmless, physio-gentle in action, yet thoroughly cleansing in effect. J. P. Gaston, Newark, Ind., says he used a great many kinds of cathartics, but Foley Cathartic Tablets gave him more satisfaction than any other. He says they are the best cathartic tablets made.—Jones Drug Co.

Brings Suit for Title

James S. Hart brought civil action in the circuit court Wednesday against Henry Kerb and wife, charging in his complaint that the defendants deeded him a ten-acre tract of land in which they had no title. He claims that Kerb represented he had good and clear title to the land, but in reality the title at the time of the transaction was in the name of John Bino. The consideration paid was \$500.

School Starts Here

Schools opened Monday in Oregon City for the fall term, and with everything in first class shape, and with all teachers present, attendance was fairly good. A meeting was held in the high school building Saturday afternoon by the faculty, and City Superintendent Kirk outlined the year's work to the teachers. Little work was done Monday, as the scholars were classified and books secured, but Tuesday the work commenced in earnest.

Sheriff's Sale

In the Circuit Court of the State of Oregon, for the County of Clackamas.

George R. Crawford, Plaintiff, vs. W. A. Jones, Defendant, State of Oregon, County of Clackamas, ss.

By virtue of a judgment order, decree and an execution, duly issued out of and under the seal of the above entitled court, in the above entitled cause, to me duly directed and dated the 24th day of September, 1918, upon a judgment rendered and entered in said court on the 21st day of September 1918, in favor of George R. Crawford, the above named Plaintiff, and against W. A. Jones, said Defendant, for the sum of \$556.67, with interest thereon at the rate of 8 per cent per annum from the 13th day of June, 1918, and the further sum of \$50.00, as attorney's fee, and the further sum of \$10.00 costs and disbursements, and the costs of and upon this writ, commanding me to make sale of the following described real property, situate in the county of Clackamas, state of Oregon, to-wit:

All of Lot numbered Three (3) and the South half of Lot numbered Four (4) in Block numbered Thirty-five (35) in the First Addition to the Original Town of Estacada as the same is platted and recorded in the office of the Recorder of Conveyances of Clackamas County, Oregon.

Now, therefore, by virtue of said execution, judgment order and decree, and in compliance with the commands of said writ, I will, on Saturday, the 26th day of October, 1918; at the hour of 10 o'clock A. M., at the front door of the County Court House in the City of Oregon City, in said County and State, sell at public auction, subject to redemption, to the highest bidder for U. S. gold coin cash in hand, all the right, title and interest which the within named defendants or either of them, had on the date of the mortgage herein or since had in or to the above described real property or any part thereof, to satisfy said execution, judgment order, decree, interest, costs and all accruing costs.

Dated, Oregon City, Ore., September 26th, 1918.

W. J. WILSON,
Sheriff of Clackamas County, Ore.
By E. C. HACKETT, Deputy,
G. L. HEDGES,
Attorney for Plaintiff.

AGRICULTURAL COUNCIL CHANGES ITS NAME

At a meeting of the County Agricultural council held in this city Saturday, the fact was brought out that over 645 mole skins had been marketed during the last six weeks. A survey of the county shows a shortage of nine farm laborers, and 300 acres of idle land in Clackamas county. Two more schools have been asked for by County Agent R. G. Scott, and at this meeting it was decided to hold these schools at Eagle Creek and Canby, dates to be announced later. The program committee is composed of G. B. Dimick, E. P. Coulter, H. G. Starkweather, R. A. Wright, Mrs. M. C. Young, M. C. Glover, H. C. Stevens, O. R. Dougherty and Frank Ewing. It was decided to change the name of the Agricultural Council to Clackamas County Farm Bureau, to coincide with similar organizations over the country.

WOMAN'S RELIEF CORPS HOLD ALL DAY MEETING

The Woman's Relief Corps of this city, had an all-day meeting Tuesday, and at 2 o'clock a luncheon was served to over 50 people. Rev. C. H. L. Chandler, rector of the St. Paul's Episcopal church of this city, presided. The birthday anniversaries of the following members of the Relief Corps and the G. A. R., were observed: Mrs. Sadie Ackley, Mrs. W. H. Walker, Miss Harriet Roman, Comrade Josiah Martin, and the Woman's Relief Corps' adopted son, Frank Aldredge. Mr. Aldredge has assisted the Corps several times, and, in recognition of this fact, they made him the "adopted son" of the order. A number of new members were taken into the order who were Mrs. Alice T. Palmer, Aurie M. Draper, and Lulu Buckles.

NEW READING ROOM FOR CHRISTIAN SCIENCE CHURCH

Nine years ago the Christian Science church of Oregon City was holding services in an office room in the Harding building. Later they found it necessary to have larger quarters, and in 1910 they purchased two lots at Ninth and Center streets on the bluff overlooking the city, in

what has since become a select residence district, but was then almost a wilderness.

The next year the Christian Scientists built an attractive church which they have since occupied. In the rear of this church building was located the Christian Science reading room. They have now outgrown this reading room and have recently taken on new quarters in the Beaver building on Main street, where two pleasant rooms have been fitted up into a cozy attractive reading room, supplied with the Bible and all authorized Christian Science literature. This free reading room is open to the public daily except Sundays and holidays from ten a. m. to five p. m. and furnishes a quiet place where all are welcome to read and meditate. The Bible and all authorized Christian Science literature are also on sale here.

The local church in Oregon City is also co-operating with other Christian Science churches in the state, to maintain, as has been their custom in past years, a Christian Science booth at the state fair in Salem, Oregon, September 23rd to 28th. This will be in the nature of a reading and rest room where free authorized Christian Science literature will be distributed and where visitors will be made welcome to spend a quiet time in resting or reading.
