

Ford THE UNIVERSAL CAR

The Ford One Ton Truck may well be classed as an agricultural necessity, it fits into and fills so many wants on the farm. It is a reliable bearer of farm burdens, not only doing the work of several horses quicker and better than the horse, and does not "eat its head off" when not working. The aggressive farmer has only to consider the possibilities of the Ford truck and he is ready to buy one. We judge this to be so from the way farmers are buying them. Truck Chassis \$550 f. o. b. Detroit.

Water Systems

will be found on hundreds of farms and suburban places in Oregon and the Northwest. They have been sold here by us for years. They give satisfaction. WHY? Because they are made up of good units such as

Stover Gasoline Engines

Myers Pumps and Cylinders and Tanks that are made right and thoroughly tested

and we make proper installation, using men for this purpose who have had years of experience. Besides all this, if anything isn't right we try to make it right. When you install a water system you put in something that is to serve you for many years. Better get a good system made up of good units, put in by a responsible concern with experienced men and in the right way.

In short

W. J. WILSON & CO. OREGON CITY, OREGON

JAMES CORBETT REBELS

James Corbett, when he started for California to play the leading role in a serial picture under Universal direction, took his dog with him, and thereby hangs a tale—and, incidentally, it is a tale about the tail of the dog.

HOW TO SAVE ON SHOES

"Out of curiosity I tried a pair of Neolin Soles," writes W. P. Macartney of St. Louis, "and today, after five months of hard service I fail to notice any real signs of wear on them." This statement points the way to real economy in shoes. What your shoes cost, by the year, depends largely on how the soles wear and Neolin Soles do wear a very long time. Moreover, they are exceedingly comfortable and waterproof—scientifically made to be exactly what soles should be and so worn now by millions. They are available everywhere on new shoes and for re-soles. They are made by The Goodyear Tire & Rubber Company, Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear any other heels.

Neolin Soles

the dog in the drawing room of the sleeper—it is a small dog—but to no avail. The rule said the dog must travel in the baggage car and the rules were not to be violated.

So into the baggage car went the dog. Thither, also, went Corbett—in the neighborhood of three or four times an hour. Outside of The Needles, the player-author-pugilist, went to say "Good Night" to his canine trainmate and found that a trunk had been in contact with the dog's tail. Corbett took the pup in his arms and started for the sleeper only to be halted by the conductor and ordered to take the dog back into the baggage car.

Disconsolate, Corbett returned with the dog to the baggage car. Here, later, the conductor again found him and informed him that passengers were forbidden to ride with the trunks. "I can't, eh?" asked Corbett. "Nope—against the rules," said the conductor. "All right," said Gentleman Jim, "put me out—I don't know which one it will be, but I do know that the baggage car is where they carry corpses."

It was a busy day in Justice Seiver's court Friday, and as the judge has just got out of bed from a severe attack of the "flu," he was pleased when the day's work was finished. J. Hilton, arrested a couple of days ago for robbing the milk bottles of the Belgian Relief committee, was brought before the judge and sentenced to 60 days in jail. Charles Kruger, arrested for the robbery of the Morgan market, after a preliminary hearing, was bound over to the grand jury. Jacob Adler, arrested for the robbery of the Joe Swartz clothing store on Main street, here, had a preliminary hearing Tuesday. Representatives from the three persons who were arrested for bootlegging at the "Crawfish" Inn some time ago near this city, were in court Monday asking that the cash bail money of \$1500 be turned over to them in exchange for a deed to some property in Portland. The

Weekly Health Talks

A WORD ABOUT THE KIDNEYS BY DOCTOR WATSON. People are easily frightened when they think something is the matter with their lungs or heart, and well they may be; but few people understand the dangers of diseased kidneys. These organs have a duty of vital importance to perform, and if they are diseased, there is no telling how or where the symptoms may appear. The kidneys are filters, and when they are healthy they remove the poisons from the blood and purify it. When the kidneys are diseased, the poisons are spread everywhere, and one of these poisons is uric acid. The uric acid is carried all through the system and deposited in various places, in the form of urate salts—in the feet, ankles, wrists and back—often forming bags under the eyes. Sometimes the resulting trouble is called rheumatism, lumbago, sciatica and backache. Finally, come stone in the bladder, diabetes and Bright's disease. Dr. Pierce, of Buffalo, N. Y., in recent years, discovered that a certain combination of remedies would dissolve uric acid (urate salts) in the system. He found this combination to be harmless, so that he made it up in tablets, of double strength, and called them Anuric Tablets. They dissolve uric acid in the human system as hot coffee dissolves sugar. If you have uric acid troubles, don't delay in taking Anuric Tablets, which can be secured in the drug stores. You can write Dr. Pierce, too, and he will tell you what to eat and how to live so that more uric acid will not form in your system. Dr. Pierce will not charge for this advice.

McKinley and Sound Money-- IT WAS the martyr President William McKinley who made the term "Sound Money" famous. President McKinley was a great believer in banks. He frequently advised his friends to bank their money. A bank account is a cure for worry. Are you a bank depositor? If you are not, start an account with us today. Sometimes the resulting trouble is called rheumatism, lumbago, sciatica and backache. Finally, come stone in the bladder, diabetes and Bright's disease. Dr. Pierce, of Buffalo, N. Y., in recent years, discovered that a certain combination of remedies would dissolve uric acid (urate salts) in the system. He found this combination to be harmless, so that he made it up in tablets, of double strength, and called them Anuric Tablets. They dissolve uric acid in the human system as hot coffee dissolves sugar. If you have uric acid troubles, don't delay in taking Anuric Tablets, which can be secured in the drug stores. You can write Dr. Pierce, too, and he will tell you what to eat and how to live so that more uric acid will not form in your system. Dr. Pierce will not charge for this advice.

Weekly Health Talks

A WORD ABOUT THE KIDNEYS BY DOCTOR WATSON. People are easily frightened when they think something is the matter with their lungs or heart, and well they may be; but few people understand the dangers of diseased kidneys. These organs have a duty of vital importance to perform, and if they are diseased, there is no telling how or where the symptoms may appear. The kidneys are filters, and when they are healthy they remove the poisons from the blood and purify it. When the kidneys are diseased, the poisons are spread everywhere, and one of these poisons is uric acid. The uric acid is carried all through the system and deposited in various places, in the form of urate salts—in the feet, ankles, wrists and back—often forming bags under the eyes. Sometimes the resulting trouble is called rheumatism, lumbago, sciatica and backache. Finally, come stone in the bladder, diabetes and Bright's disease. Dr. Pierce, of Buffalo, N. Y., in recent years, discovered that a certain combination of remedies would dissolve uric acid (urate salts) in the system. He found this combination to be harmless, so that he made it up in tablets, of double strength, and called them Anuric Tablets. They dissolve uric acid in the human system as hot coffee dissolves sugar. If you have uric acid troubles, don't delay in taking Anuric Tablets, which can be secured in the drug stores. You can write Dr. Pierce, too, and he will tell you what to eat and how to live so that more uric acid will not form in your system. Dr. Pierce will not charge for this advice.
