CHERRYVILLE

We all have a "place in the sun." Delightful weather for the month of March. Whoever saw swallows flying around before at this time of the year? Dandelions and wild strawberries are in bloom fully a month ahead of the usual time. The camps are shutting down on account of the railroads refusing to load any more at present. Probably wanting to get the price lower. It has been \$21 a thousand feet or over 80 cents each. This boomed the business and gave plenty of work at good wages. Any serious disturbance to the tie and lumber business is a bad blow to Oregon, as this is Oregon's great industry. It is to be hoped everything will be arranged soon so business will go on at full blast. The upshot of the matter, in all probability, will be lower price for ties and lower wages. It grinds the average employer to pay wages above a bare living. Ward Douglas, of Eagle Creek, will plant nearly 20 acres of corn this year and let his hogs help themselves. In this way, he says, hogs big and little, do very well and increase the fertility of the soil. Dr. Douglas says his father, near Molalla, has tried this plan for several years with excellent results. Frederick Palmer, the great war correspondent, who was all through the great war, gives a fine description of the battle of the Argonne in a late issue of the Colliers. This battle was largely fought by Americans against a carefully selected position occupied by the flower of the German army. A high English officer said this position was practically impregnable and the French had been trying to take it for two years. This was the key to the whole German line as the loss of that position would uncover their military base at Sedan. Against this strongly fortified position the Americans proceeded on October 1st and bored right in through dense wood and up steep hills in the face of a murderous fire from all kinds of guns and gas shells and never gave back an inch, some days making a gain of five or six miles. Some of our troops had never been under fire, but met and overcame the best trained veterans of the German army. This was the greatest battle an American army ever fought and gained a great victory over what was supposed to be the best army in the world. This was a knock-out as the Germans soon signed up. A big Irish priest in the East says all spiritualism is a fraud and a humbug. A prize of \$1000 is offered to any one who will detect anything fraudulent in any sense conducted by Mrs. Besinett, of Toledo, Ohio. The Toledo Record had reporters attend over 100 of her services and gave a full account of every meeting, and agreed that there was nothing fraudulent about any of her meet-

SAVED BY A FAITHFUL WIFE
Suffered Thirty Years With Stomach Trouble and Hemorrhages of the Bowels.
The Story of a Wonderful Recovery

There is hardly any one who does not experience some trouble with the stomach. It is so common that we frequently pay little or no attention to it. Yet, the stomach is very easily upset, and catarrhal inflammation of the mucous lining develops, grows worse—the pain and distress is incessant and the truth dawns that we have chronic stomach trouble.

The case of Mr. Louis Young, 205 Merrimac St., Rochester, N. Y., is typical. He writes: "I suffered for thirty years with chronic bowel trouble, stomach trouble and hemorrhages of the bowels. We bought a bottle of Peruna and I took it faithfully. I began to feel better. My wife persuaded me to continue and I did for some time as directed. Now I am a well man." Mr. Young's experience is not unusual.

If you suffer from catarrh in any form, whether of the head, stomach, bowels or any other part of the body, try Peruna. It may be just what you need. Peruna comes in either liquid or tablet form and is sold everywhere. Your dealer has it or will get it for you. Ask for Dr. Hartman's World-Famous Peruna. Tonic and insist upon having it. If you want your health accept nothing else.

All the sick and suffering are invited to write The Peruna Company, Dept. 73, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and may help you. Ask your dealer for a Peruna Almanac.
