

Bake More Save More

More and more, thoughtful women are decreasing the cost of living by increasing the variety of their home baking. They have learned to bake the Royal way with fewer eggs. They have found that more baked foods mean less meat. They have further discovered that their baking keeps fresh longer when made with

ROYAL Baking Powder

Absolutely Pure

In many recipes, only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoonful in place of each egg omitted.

If a woman is nervous or has dizzy spells, suffers from awful pains at regular or irregular intervals she should turn to a tonic made up of herbs, and without alcohol, which makes weak women strong and sick women well. It is Dr. Pierce's Favorite Prescription. Druggists sell it in liquid or tablet form. Send 10 cents to the Invalids' Hotel, Buffalo, N. Y., for trial package. Then, for the liver and bowels nothing is so good as Dr. Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloes, root of jalap—things that Nature grows in the ground.

Caution. Use—During expectancy I suffered a severe nervous breakdown. Became very weak, was nauseated and sick all the time. My mother advised us to take Dr. Pierce's Favorite Prescription. After the first few doses I could eat, something I had not done for some time. I kept on taking it and had practically no suffering and a few days later, weighing eleven pounds. I would advise all prospective mothers to take Favorite Prescription. They could take nothing better.—Mrs. Jeta Weston, 370 28 St.
