

# NUXATED IRON

## Helps Make Strong, Sturdy Men and Beautiful, Healthy Women

3,000,000 People Use It Annually As a Tonic, Strength and Blood-builder

**MAKE THIS TEST**

If you are not well or strong you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next, take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people, who were ailing all the while, have most astonishingly increased their strength and endurance in 2 weeks' time in many instances.

*Manufacturers' Note: Nuxated Iron which is prescribed and recommended by physicians is not a secret remedy but one which is well known to druggists everywhere. Unlike the older iron tonic products it is easily assimilated and does not injure the stomach. It is a pure iron tonic and contains no arsenic. The manufacturers guarantee generous and entirely satisfactory results to every purchaser as they will refund your money. It is dispensed by all good druggists.*

## UNITED WAR VETERANS

A National Organization Composed of All Soldiers of All Wars

The United War Veterans, a national organization, has been formed to include in its active membership all veterans of the Civil War, Spanish War, and World War.

The objects are: To unite in fraternal bonds, through national, state, local and foreign organizations, all soldiers and sailors of the United States; to perpetuate Memorial Day, as established by the Grand Army of the Republic, and to preserve from neglect the graves of Our Nation's Dead; to secure employment for and to assist our comrades, their widows, orphans and dependent relatives; to promote loyalty, mutual aid and co-operation among them in all lines of endeavor; to secure from Congress and other legislative bodies the enactment of laws beneficial to the welfare of our comrades, and to secure employment for those who have returned to civil pursuits in consonance with laws which prefer honorably discharged soldiers and sailors for government service; to provide and establish homes for orphans and dependent children of our comrades; and to inculcate the principles of universal liberty and justice to all mankind of loyalty to our country, reverence for its institutions, obedience to its laws and to discountenance whatever tends to weaken these sentiments.

The organization consists of active members, called comrades, and in addition thereto an honorary membership consisting of persons who performed distinguished or faithful service or engaged in efforts for the relief of disabled and suffering soldiers and sailors, or who to a conspicuous extent became interested in promoting the moral welfare and physical comfort of troops in camp or in field, or who are honorably discharged soldiers or sailors of any of the Allies of the United States in the World War.

It urges that members of other patriotic organizations continue their memberships in such organizations, but join the United War Veterans in addition, in order to have one united organization of ALL soldiers of ALL wars.

Women honorably discharged from military or naval service, and the mothers, wives, daughters, and sisters of all soldiers and sailors living or deceased, who served in the Army, Navy, or Marine Corps in time of war, are eligible to the Auxiliary.

The national headquarters are at Kalispel, Montana. The commander-in-chief is Commandant of the Montana State Soldiers' Home.

## FORMER RESIDENT FINDS CITY WEIRDLY CHANGED

L. S. Jenkins found Oregon City metamorphosed from a tiny hamlet of a few hundred people to a thriving metropolis of thousands, full of factories and business establishments, when he returned to this city after an absence of 40 years, last week. He also found the COURIER changed. Instead of a struggling abbreviated newspaper born weekly in the trouble and travail attending antiquated methods of printing, he found the COURIER a modern strong journal of events as they happen, produced by a trained staff and the advanced machinery of most recent invention. Mr. Jenkins helped fix up the first office of the COURIER in the old Meyers building. He helped get out the first issue, turning the crank of the hand-driven press and aiding in hand-setting the type.

Mr. Jenkins, who is 77 years old, came from California, where he has made his home for many years. He returns to Oregon because, as he says, he likes the health of Oregon better than the climate of California.

"There were between 500 and 1,000 people in Oregon City when I came here first about 45 years ago," said Mr. Jenkins. "There was no business of importance in the city, compared with modern business, although the town was even then an important center. Portland was only a good-sized town then, and could hardly be designated by the stilted name, city."

"While I was here the big locks were built. There have been a lot of changes—there always are you know in 36 years—and I didn't have any hope that many of my old friends would be here. But I found quite a number, all healthy and happy. Jack Chambers—I can call him Jack—was the first lock-tender, and I find him still at the post. Then there's Tom Miller, whom I'm visiting. Tom was bailiff long before I went away and he still is. It would be pretty hard to find a bailiff that could beat Tom or keep the sacred silence of the court room like he does, and I guess the people around here must know it."

"There was timber for miles back from the river on this side then. Nobody cared much for it. You could hardly give it away. People burned the timber off the land if they could, because they didn't want the timber, only the land. Nobody thought the great forests of Oregon would ever become very valuable. There was so much timber that it looked like it would be a drug on the market for years and years. It only seems like yesterday that people thought that way."

Mr. Jenkins calls his friends by the names he remembers they had when they were young. "Billy" Pratt, steamer agent, "Bob" Hughes, retired, George Harding, druggist, "Jim"

## RED MEN ON WAR PATH FOR JOY ANNIVERSARY

How do you spell the most blood-curdling war-whoop of the red men? Consider it spelled and screeched, then, for Wacheno Tribe, Improved Order of Red Men, is going on the war-path for a good time next Saturday evening. With the Ex-Sailors' jazz band as a proper substitute for tom-tommers the local organization's membership will march down Main street in full regalia, feathers and paint of the First American with blood in his eye, at 7:45 o'clock, with here and there along the line a float or chariot beautifully decorated, possibly—you know the red man's reputation for cunning—with the subtle aim of stealing away the senses of onlookers.

There will be no stealth, quite otherwise, despite oft repeated assertions of wild west fiction writers who tell of the red man's habits. A grand march headed by warriors of Wacheno Tribe and ladies of Wacheno council is slated for 8 o'clock.

Elaborate decorations have been hung in the hall. The affair is in charge of a committee composed of D. E. Frost, chairman, L. A. Nobel, Edward W. Lavier and Frances Kroll. It is the 26th anniversary of Wacheno Tribe.

## MISS SNEEDIKER HEADS BOYS AND GIRLS CLUBS

Miss R. P. Snediker is the new leader of Boys and Girls clubs in Clackamas county. She was appointed following the resignation of A. L. Olmsted, who will return to his home near Enterprise and operate the large ranch owned by his father.

"Aw, we want a big man to be general," lads of the county asserted when they heard the news—and then they got acquainted with Miss Snediker. Now everybody's happy. The Girls club urged that a woman be appointed.

In the county now there are 96 standard clubs with 760 members and 224 independent members, according to reports recently tabulated. Follow-up work, demonstrations of various sorts and fairs have been slated for the summer.

Miss Snediker is now in the city. Her experience in club work and organization generally is extensive.

Mr. Olmsted is well known in Oregon City and throughout Clackamas county. He has made many friends here. His work with the Boys and Girls clubs is praised as efficient and thorough.

## MISS EVA LEE MARRIED TO HARRY PICKETT APRIL 5

At the home of the bride's mother, Mrs. M. A. Lee, 33 and L streets, Vancouver, Wash., last Saturday evening, April 5th, occurred the marriage of Miss Eva L. Lee and Harry D. Pickett, the ceremony being performed by Rev. Mr. Thompson. Only a few close friends and the relatives of the contracting couple were present. The attendants were Blanche Lee as bridesmaid, and Walter Lee as best man, with Jesse Merwin as ring bearer, while the bride was given away by Frank S. Paycer. The bride, a daughter of Mrs. Lee, formerly of Oregon City, now residing in Vancouver, is well known in this city and West Linn. Mr. Pickett is the son of Mrs. F. E. Free, 400 West 4th streets, Vancouver, and has been employed for some time by the G. M. Standifer Construction company in Vancouver, and there the couple will make their future home.

The bride was attired in a cream colored satin messaline dress and wore a veil and orange blossoms, and carried a bridal bouquet of cream colored roses and ferns. The bridesmaid wore a pink silk and voile dress. The rooms of the Lee home were prettily decorated with carnations, ferns and Oregon grape.

Following the ceremony a supper was served.

Many beautiful gifts were received by the young couple, who are popular with all their friends and acquaintances.

Those present were Rev. Mr. Thompson, Mr. and Mrs. H. D. Pickett, Mr. and Mrs. F. E. Free, Mr. and Mrs. Glenn Duncan, Mr. and Mrs. Frank Paycer, Mr. and Mrs. Elmo Dow, Mrs. M. A. Lee, Miss Blanche E. Lee, Herbert Carothers, Merle, Verle and Jesse Merwin, Walter E. Lee and Miss Alma Casaday.

Many were the tales of hardy men and brave who faced the quick death of the wilderness and the slow death of starvation or illness alone told by the pioneer to his children and grandchildren and great grandchildren. Many were the stories of hardships survived, of fears overcome and of dangers unnoticed in the new lands the white men were claiming for their own.

Family reunions have gone into history of the old home in which Mr. Knight has lived for more than 40 years, but none so successful or so great as this.

Greetings in letters and telegrams poured in from those absent ones who were unable to attend, among them messages from Mr. and Mrs. Albert Knight of Portland, and D. C. Herren, grand master of the A. O. U. W. lodge, of which Mr. Knight has been a member through the Oregon City branch for many years.

"Today is the four-score milestone of your life," wrote Mr. and Mrs. Albert Knight, "and in public life you have been honored, trusted and have been successful. In private life you have won the love of all. Your life has been so free from corruption that it has been a true inspiration to all who know you, and a great credit to the name of Knight. We wish you continued good health, peace and happiness."

Mr. Herren wired congratulations and best wishes, adding, "and I hope your days will be brightened by the memory of the kindly deeds you have rendered to the fellowmen you have met in life's journey."

As they were read to the assembled guests these messages were greeted with pleased applause.

William Knight holds the world's record for long service as a school clerk. He has held that position in Canby for 49 years and is still in office. He was elected sheriff of Clackamas county in 1884 and served two terms. He was for several terms a school director. For a number of years he has been justice of the peace, and still holds that office.

William Knight is the son of the late Mr. and Mrs. Joseph Knight. He settled with his parents in Wallapa, Wash. in 1863, where he lived two years, then moving to Butteville, Marion county. After three years of residence there he moved to what is now Canby where only three houses then stood. He filed a preemption claim on 145 acres. The beautiful old home now stands on this land. Miss Martha Elizabeth Birchett became his bride in 1875. To this union were born five children, Mrs. Martha

Evva Bradt of Aurora, Mrs. Bertha E. Lee of Canby, Miss Josie Knight of Canby, Mrs. May Vesta Clark of Molalla, and Arthur Knight of Portland, all of whom were present at the reunion.

Mrs. Mary Barchem, a sister of William Knight residing at Cottage Grove, was unable to attend. A total of about 40 members of the Knight family, grandchildren and a great-grandchildren formed the bulk of the gathering in the old home decorated in spring flowers.

**He Escaped the Influenza**

"Last spring I had a terrible cold and gripe and was afraid I was going to have influenza," writes A. A. McNeese, High Point, Ga. "I tried many kinds of medicine, but remained clogged with cold. I then took Foley's Honey and Tar Compound, feeling relief from the first. I used several small bottles. It was a sight to see the phlegm I coughed up. I am convinced Foley's Honey and Tar saved me from influenza." Checks coughs, colds, croup and whooping cough.—Jones Drug Co.

Alleging desertion, Christina J. Smith has filed suit for divorce against O. M. Smith. She asks the return of her maiden name and attorney's fees. They were married in Vancouver, February 12, 1915. O. M. Smith resides in Oregon City.

Go! How my back aches! After influenza or colds the kidneys and bladder are often affected—called "neuralgia" or inflammation of the kidneys. This is the red-flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful new discovery of Dr. Pierce's known as "Anuria" (anti-uric), because "Anuria" expels the uric acid poison from the body and cures those pains, such as backache, rheumatism in muscles and joints.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

Dr. Pierce's Anuria is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

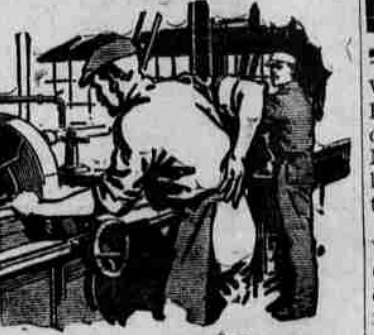

Madera, Cal.—"I recommend Dr. Pierce's Anuria very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without relief. I saw 'Anuria' advertised in the paper and like a drowning man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately before I had taken all of the trial package, and having great confidence in the remedy I immediately sent to the drug store and bought a package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and suffer no longer. I have great faith in Dr. Pierce's remedies."—J. P. Hensley.

## POPULAR OREGON CITY PEOPLE ARE MARRIED

Miss Amelia Juranek, daughter of Mr. and Mrs. Joseph Juranek, well known residents of five miles north of the city, and Fred Krebs, son of Mr. and Mrs. Henry Krebs, prominent residents of Oregon City, were married in the Lutheran church Saturday evening at 6:30 o'clock, the Rev. W. R. Kraxberger officiating. Both young people are popular in social circles. Miss Anna Juranek, sister of the bride, was bridesmaid and Edward Krebs, brother of the groom, was best man. Only close friends and relatives were present at the ceremony. The church was decorated in Easter and calla lilies. Miss Ruth Kraxberger played the wedding march from "Lohengrin." They will reside in Oregon City, at home to their friends on Fifteenth street. The groom was recently honorably discharged from the service.
