## THE FRIENDLY TOBACCO

*THERE may be some things that can be done well in a hurry, but pickin' a wife an' agoin' a tobacco ain't amongst 'em.*

*Velvet Joe*

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's different—Nature has improved it, good as it was—made it friendlier, more fragrant, cool-smoking, long-burning.

Nature has given it a delicious quality of mildness and fragrance that no artificial means can ever equal.

It's just that extra touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.

*Liggett & Myers Tobacco Co.*

**Roll a VELVET Cigarette**

VELVET'S nature-aged mildness and smoothness make it just right for cigarettes.

AFTER CLOUDS COMES SUNSHINE. AFTER DEPENDENCY COMES JOY. AFTER SICKNESS COMES HEALTH. AFTER WEAKNESS COMES STRENGTH.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-makersuch as this "Medical Discovery" of Dr. Pierce's.

Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package of tablets.

**ELWOOD**  
P. Nelson and three of his friends were out from Portland Sunday, looking over Mr. Nelson's place. Mr. Rydzewski sold some pigs last week to G. A. Gottberg, of Colton, and S. Turrel, of Dodge.  
The Elwood school, with Miss Nellie Vallan as teacher, closed a successful term of school Friday, and the pupils, with the assistance of Miss Vallan, are planning on a picnic with ice cream and lunch. It will be held on the old "Doran" creek Wednesday, May 21st.  
S. B. Brown is taking lessons in operating his new Ford car. He returned from a trip to Nebraska last week, where he had been called recently by the serious illness of his aged father, but who had improved. He was accompanied home by a neighbor family, who wish to find a location in the West.  
The new telephone company has its line in operation to Estacada.

**COLTON**  
Louis Pendleton is hauling lumber for Mr. G. Heath, of Oregon City who has settled on his homestead near here.  
George Berry and Tom James of Corbett, were guests at the C. L. Winslow home over Saturday night.  
The Colton high school closed Tuesday night, those that graduated being Phil Nordling, David Crawford, Agda Samuelson, Anna Wicklund, Gill Nordling and Olga Samuelson. This is the third class to complete its high school work from this school. Sunday night the Baccalaureate sermon was held at the Lutheran church. Rev. Renhard preached the sermon. The speaker for the commencement exercise was Mr. Churchill.

### "In the Public Eye"

WE can exactly duplicate your lenses if you save the pieces. We refit you as exactly as if we were following the original prescription. Experienced optometrists agree that a person's eyes should be re-examined at least once every two years. Your focusing accommodation is very apt to be better or worse, and a change of lense-power advisable.
