It Is All Gone Now

Samuel L. Kramer, Box 95, Sellersville, Pa., writes: "I had kidney trouble for two years and had a terrible backache. That is all gone now after using Foley Kidney Pills and I feel well again." When the kidneys are overworked, weak or diseased, the waste matter remains in the system and causes pains in side or back, rheumatism, lumbago, stiff joints, sore muscles, backache. Foley Kidney Pills get results quickly and are tonic in their healing and soothing effect. Good for bladder trouble, too. -Sold Everywhere,

## Cataract Washer

## She Sits and Sews While the Washer Goes

The worst part of housework is the washing-when done in the old way, on the rubboard, rasping the dirt and soil out of each peace separately, by hand. If you have a hand machine it will help out, but even then someone must push and pull the handle back and forth, and, although it is not hard, it becomes ardous before the family washing is completed. Then, the wringer must be turned by hand, and this is by far more tiresome than operating the washer.

Hand operated machines have been done away with in the factory, in the office, and in the institution, and, in fact, everywhere. Men now use machinery operated by power. Why should women not do likewise.
