Invest With Care

One can not investigate too carefully everything connected with a real estate investment, especially when one is buying a home. There are many vital points to be considered and the wise investor will leave no stone unturned to know his proposition.

DO NOT TAKE A LEAP IN THE DARK

WHAT WILL THE FUTURE BRING. WHAT CLASS OF PEOPLE WILL BE ATTRACTED TO YOUR IMMEDIATE NEIGHBORHOOD. WILL THE TOWN GROW IN YOUR DIRECTION OR SOME OTHER, LEAVING YOU HIGH AND DRY. THOSE AND A HOST OF OTHER QUESTIONS MUST BE CONSIDERED.

We who have made a life study of these questions, knew what we were doing when we offered Holly Gardens for settlement as a suburban residence district of Oregon City.

We invite the most thorough investigation of everything connected with this property, knowing that you will find the same satisfaction that we have found in the facts of the case.

Again We Warn You

Lots are now selling. If you wait you must choose from a picked over list. Act now. A small payment secures your choice and the balance is like rent. When looking over our property, talk to those who are now building homes of their own. They are our best advertisements.
