## A Name That All America Has Learned to Know and Rely Upon

Rexall Remedies are successful because of the high standard of quality that is rigidly maintained in compounding formulas based on proven principles. Confidence has been established because of the conservative claims made. "Rexall" does not in any sense stand for "cure-all." Instead there is a nature-aiding preparation for every human ill. ## CUT PRICES

HONEST VALUE AND SERVICE AT LEGITIMATE PRICES

The service dealer who offers low priced labor probably knows best what his services are worth. Do not assume that the "cut price" dealer and the established "list price" dealer do exactly the same thing for the customer. It always pays the customer to buy from a legitimate price establishment just as, almost invariably, an article is worth no more than the price for it.
