DANGERS OF A COLD
Oregon City People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's kidney trouble. Follow this Oregon City resident's example:

J. W. Saunders, 707 - 10th St., says: "I have used Doan's Kidney Pills for a good number of years and always found them to be a good remedy. I had attacks of kidney complaint caused by colds settling on my kidneys, and at times I could hardly straighten, my back was so lame and stiff. I felt miserable and my kidneys acted too frequently at times but I used Doan's Kidney Pills for these attacks and they relieved the aches and pains and put my kidneys in good order." 60c. at all dealers.
