

"Kill-the-Blues Cope," King of Humorists, Really Preaches Religion of Laughter

Herbert Leon Cope, Who Thrilled and Inspired Two Million Doughboys During War, to Talk Here Soon.

Herbert Leon Cope is coming! The same Cope who thrilled 2,000,000 doughboys with his eloquence during the late war and the same Cope who has talked to almost as many civilians before and since the war. He is popularly known as the "King of Humorists." The army called him "Kill-the-Blues Cope."

Cope has been one of the sensations of the Lyceum and Chautauqua world for the past three years. He is better than ever on his present tour, and the enthusiastic press notices which have chased him around the country on his present Lyceum trip are said to be the most flattering ever received by an American lecturer.

Cope is not only a humorist, but he is a great preacher. Not an orthodox, ordained minister you understand, but a man who preaches through inspiration and through the grasp he gets on his hearers by means of his wonderful humor.

Cope's personal story is an interesting one. Fifteen years ago he was a very popular lecturer just coming into fame. A few years later, through loose companionships he fell—and fell hard. For several years he was in the depths and the world forgot Herbert Leon Cope. Then came the war, and with it came an awakened manhood. The years had left their cruel markings, but something whispered that still he might do some good—for someone. He came back—just as hard as he fell. He talked "right living" in the army camps—for Uncle Sam could not use him as a soldier. His work was a big bit, and before the armistice he had addressed more than 2,000,000 soldiers. Cope's work was one of the sensations in the morale program during the war. He is better than ever now, and still preaching the doctrine of sunshine and clean living.

O. C. H. S. Juniors Plan Party

Junior committees are busily planning for their annual class party to be held at the high school on Friday night this week.

Be sure to hear Cope—the humorist.

At the H. S. Auditorium, Thursday night. The celebrated humorist coming—Cope Feb. 23 at H. S. Auditorium.

Infant Child Passes.

Mr. and Mrs. J. H. Probasco and three-year-old child are seriously ill with influenza at their home in this city. A child born to the parents last week lived but a few hours. Funeral Sunday afternoon at Brady's chapel, Rev. A. H. Thompson officiating. Mr. Probasco is an overseas veteran of the World war.

E. W. Randolph Passes.

Mr. E. W. Randolph who had been a resident of this city and West Linn for a quarter of a century passed away at Newport, where he and his wife were spending the winter. Funeral services were held in Albany on Thursday, last. The deceased intended moving back to his property in West Linn this coming spring.

Ferry Nears Completion

Speaking of the new ferry across the Willamette, here's the latest. The ferry is expected to carry passengers, autos, teams, and produce across the placid bosom of the "Beautiful Willamette" March 1, 1922, a date less than two weeks distant. This is speed with a vengeance and the promoters are delighted with the progress.

The barge itself is off the ways and now here. Both east and west approaches are being planked and will soon be complete.

When in operation the ferry will accommodate eight or ten automobiles, other vehicles accordingly.

Movement is under way whereby the merchants may care for the regular Oregon City trade coming from across the river.

Silverton High School

Silverton high school was defeated by the O. C. H. S. team in basketball last Friday night in the local gymnasium by the score of 25 to 10. The home team hardly dared to hope that it would beat the fast Silverton team, who have been playing winning games. The result was probably as much a surprise to Silverton as for Oregon City.

Gladstone Postoffice Robbed

Sometime during Tuesday night, yeggs "jimmied" a window of the Gladstone postoffice and entered the building. They drilled and picked the lock of the safe, took 200 dollars worth of stamps and 100 dollars in cash and made their getaway. No trace of the robbers has been found.

Health Association Announces Drive

The Clackamas County Public Health association membership drive is on. It started Tuesday morning. Public spirited people all over the county are interested vitally in this concerted effort to raise funds with which to make the retention of the county nurse possible. We cannot afford to lose Miss Morris. Never before was there so great a demand for instruction in health matters.

Rev. Carodac Morgan is engineering the drive throughout the county, and directors have been appointed in every school district to raise the quota assigned these districts as their contribution to this worthy cause. Most of the school districts contain few people. To these, two directors generally will give residents in the district a chance to join the association. Each director will try to secure twenty new members.

In some of the larger towns, quotas have been determined upon after considering the population, financial conditions of surrounding community and response to appeals in former drives. Following are some of the goals set: Milwaukie, \$100; Willamette, \$100; \$50; Estacada, \$75; Sandy, \$75, and Molalla, \$75; Canby, \$100; Oswego, regon City, \$1000.

Communities everywhere are being touched by the great American awakening to the value of health. Health, like happiness, is to a large extent, a matter of habit and can be taught. Here is our county's opportunity to stimulate health activities.

O. D. Eby to Go to Roseburg

City Attorney O. D. Eby will attend an auto park meeting at Roseburg on Tuesday next. Among the purposes of this meeting are to fix a uniform tourists charge to formulate park rules, and lay plans for a statewide auto park association. The idea of such uniformity had its inception in Oregon City. Mr. Eby being the first city official to attempt to bring about such condition.

MT. PLEASANT

The month of February is giving us all sorts of weather. Some of our neighbors say they have seen Mt. Hood sending out huge volumes of smoke lately.

Some thought it was just smoke that came from the Live Wires' talk on high taxes.

Mrs. Schuss, who has been in the hospital is improving rapidly.

Mrs. Wagnon is in the hospital. Reports say she is soon to come home. Yes, we lost one of our best neighbors, Mt. Rose with heart failure. Men like Mr. Rose are sure a loss to any community.

COLUMBIA WOMAN

REVEALS FACTS

"I was run down with rheumatism, had nervous breakdown with stiffness and swelling of the joints so bad I could not move without great pain," said Mrs. Fannie Thurman, residing at 106 W. Ash St., Columbia Mo. I read an advertisement for Prescription Number 40," she continued, "and decided to try it. After taking two bottles the stiffness and pains have left me and I feel as supple as a child. I am sending you this letter for publication as I think every sufferer should hear of the wonderful merits of Prescription Number 40.

Prescription Number 40 is recommended for blood troubles from any cause, chronic constipation, indigestion, stomach and liver trouble, eczema, skin troubles, etc. Acts on the liver removing waste matters from the system thus cleansing the blood of all impurities and doing away with the need of cathartic pills and tablets. Sold by Huntley-Draper Drug Co.
