A clothing sale worthy of the attention of every man in this section. The suits are the last word in the new spring styles and represent some of the foremost manufacturers in America.

Sizes for slims, stouts, shorts and regulars. They are all here and don't forget, most of them have two pair of trousers—that of itself makes these suits preferable.

Yes! And the patterns and colorings are what you'll say are "snappy" Anything from a smart Tartan Check to a banker's grey worsted.

Come in and look them over.
