## WEST LINN

The annual senior class play will be staged at the Union High school next Friday evening. There is promise of a big house and a good play.

Two new homes have been constructed west of the Holly Gardens recently. This district is rapidly being settled and within a few years will in all probability be a residential section.

The city water supply has been low for several days, due to the fact that the main across the river is still likely to spring a leak any time. The Busch fire also drew heavily from the Oregon City reservoirs and it was necessary that they be refilled. We hope for a greater supply soon.

West Linn has enjoyed fairly fine March weather for several days and the first signs of spring are here.

## DANGERS OF A COLD

Oregon City People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Oregon City resident's example:

J. W. Saunders, 707 - 10th St., says: "I have used Doan's Kidney Pills for a good number of years and always found them to be a good remedy. I had attacks of kidney complaint caused by colds settling on my kidneys, and at times I could hardly straighten, my back was so lame and stiff. I felt miserable and my kidneys acted too frequently at times but I used Doan's Kidney Pills for these attacks and they relieved the aches and pains and put my kidneys in good order." 60c. at all dealers.
