May Baskets

By Martina Gardner Owen

Fred's aunt, who was a kindergarten teacher, had given him a pair of roundpointed scissors for his fourth birthday. She had also prevented possible trouble by explaining that the scissors must never, never cut anything unless Mother had first told him that they might. Now Fred was demanding: "What may I cut, Mother?" For a moment Mother was puzzled. He hadn't mastered the use of scissors sufficiently to cut out pictures. He could just make straight slashes.

"How would you like to make May baskets?" Mother asked at last. "Oh, goody! May 1?" he returned, clapping his hands. "Yes, indeed," Mother assured him, as she dove into the drawer that held her haphazard collection of odds and ends. "See, here are some small boxes, all empty. Raisin boxes, cereal boxes and cookie boxes. And here is some pretty paper. The pink is nicest. It was left over when I put fresh papers on the

pantry shelf. I'll cut strips to go around the boxes. Then you can cut them into fringe. Try to make your cuts even and close together. When you have enough good fringe we will paste it all around the boxes. Then we will fasten on some stout strips for handles and cover the handles with other strips of pink paper fringed on both sides, and the May baskets will be finished."

"And may I hang them on May Day?" asked Fred. "Of course you may," replied Mother. "While you are cutting think about the playmates to whom you wish to give them. We'll talk it over while they are being finished."

Mother returned to her baking with a clear conscience. Son was learning the Joy of the Job Well Done. He was gaining control of the muscles of his chubby little hands. And soon there would be a talk which would stimulate the habit of Taking Thought for Others. Certainly that was sufficient interest for the investment of ten morning minutes.

Wilsonville Grange No. 6000 held their regular meeting in the I. O. O. F. hall Saturday, April 8th, first session was called by the Worthy Patron, Fred Wiedemann at 10:30 a. m. when the work up to the fourth degree was gone through. Meeting adjourned at 12 o'clock, when about sixty members and several guests partook of a sumptuous repast of boiled eggs, ham, sandwiches, pickles, cheese, doughnuts and cookies with coffee served by the brothers. Business was resumed at 1:30 p. m. when a splendid talk on potatoes was given by Mr. Holt, our county agent, who went into the most minute details of proper grading, cultivating, gussing disease and marketing the crop. He also informed the farmers about wool bags, grain sacks, and binding twine. Mr. Holt sur handles these subjects well and all felt well repaid for the time spent listening to his talk. Mr. Chas. Kruse, who is aspiring for a county commissioner gave some splendid talks on roads, bonds, taxes, etc. much to the satisfaction of his listeners. Quite a number of visitors were in attendance, among them Chas. Kruse, Mr. Holt, Mr. Fred Minor, Mr. Harry Gosser, Mr. and Mrs. Jno. Jaeger, Reed Graham and others.

The first, second, third and fourth degrees were given to two members, and two more were balloted on. The lecture hour was a very enjoyable one, being full of useful things as well as music, wit, humor and the business held them in session until 5:30 when Grange adjourned to meet May 13th, regular meeting date second Saturday in each month, 10:30 a. m. There is always good eats. Next time being served by the sisters and all members are requested to be present.

Wilsonville baseball team defeated Stafford here 3-2 in 10 inning game. Clark King scored with his pitching for the winners. Six innings the Stafford team went away with only three men to bat. Paul Tate, and Donald Say with Wallace Young also played good ball for winners. Harry Gebhart scored for losers. The Batteries, Clark, King and Mingkel for winners and Joe Rabic and Woody, Fritz Sheriner for losers.

FROGPOND

Literary a Success

Friday night the Frogpond Literary met and offered a good program, consisting of a dinky dialogue "Axin' her Fader", and the divorce, which has been looked forward to for some time. Both were extremely fine. Following that everyone went upstairs and dined and enjoyed themselves very much despite the fact that the old floor nearly fell through. Supper was served by the Grange ladies and a net profit of about \$28.00 was turned over to the Grange. During the business meeting it was decided that the next meeting would be held on the 12th of May, that being the last day of school and we hope that the new hall will be far enough along by that time that we will not have to use the old one.

George Oldenstadt is suffering from an attack of the mumps.

Thomas Turner and Clarence Koller were visitors at Myrtle Aden's Sunday night.

Mrs. Bruck and daughter-in-law, Rose, were visitors at Mrs. Smith Turner's Tuesday afternoon.

All are glad to see the new Grange hall progressing so well and everyone is hoping that it will be near enough completion to be used to meet in the last Saturday in this month.

Oregon City visitors this week were: Mr. and Mrs. George Aden, J. M. Turner and Smith Turner.

Melba and Lorin Baker spent the week-end with their grandmother, Mrs. Lorin Kruse and went back to

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Oregon City evidence—doubly proven.

James Wilkinson, retd. farmer, 201 14th St., Oregon City, says: "Nothing gave me as much relief from kidney trouble and pains in my back and hips as Doan's Kidney Pills. I had to get up at night as I couldn't sleep on account of the pains and aches and my limbs were stiff. I was advised to try Doan's Kidney Pills and was surprised at the quick relief I got. Several boxes relieved me and today I am hale and hearty." (Statement given March 29, 1910.)

On April 20, 1920 Mr. Wilkinson said: "The occasional use of Doan's Kidney Pills keeps my kidneys in good condition and I can't say too much for Doan's."

Dr. Aldrich Passes Away

The funeral of Dr. A. C. Aldrich was held Sunday, April 9th in the Masonic Temple in Sherwood, where he had resided for the past two years, having come west from New York several years ago for his health.

Dr. Aldrich leaves his wife and one daughter in the east. Mrs. Aldrich will accompany the remains to New York for burial, leaving here Tuesday.

The doctor died Wednesday afternoon, 6:30 after a few hours illness of acute indigestion, having visited his patients up until 2 o'clock in the afternoon.

His death was quite a shock to his many friends and patients especially the more serious ones, who have not been informed of his death and are asking why he does not attend them.

The temple was filled to overflowing, many not being able to get in, and numerous and beautiful were the floral pieces.

Dr. Aldrich was a very devoted Mason and the Masons had charge of the services which, as usual, were very effective and impressive as the funeral rites of this wonderful brotherhood are.

Undertaker Holsenworth of Newberg has charge of the remains, which have and will lie in state in the temple until shipped east.

Many from Wilsonville and surrounding neighborhoods were in attendance and the loss is felt very keenly as in his short practice he had so won the esteem and confidence of those whom he had come in contact with, that it seems he was almost indispensable. And so many are ill and

Six Rules for Prevention of Fires

1. Matches. Be sure your match is out. Break it in two before you throw it away.
2. Tobacco. Throw pipe ashes and cigar or cigarette stumps in the dust of the road and stamp or pinch out the fire before leaving them. Don't throw them into brush, leaves, or needles.
3. Making camp. Build a small camp fire. Build it in the open, not against a tree or log or near brush. Scrape away the trash from around it.
4. Leaving camp. Never leave a camp fire, even for a short time, without quenching it with water and earth.
5. Bonfires. Never build bonfires in windy weather or where there is the slightest danger of their escaping from control. Don't make them larger than you need.
6. Fighting fires. If you find a fire, try to put it out. If you can't, get word of it to the nearest U. S. forest ranger or State fire warden at once. Keep in touch with the rangers.

PREVENT FOREST FIRES—IT PAYS.
