Legion Ball Wednesday Evening Is Successful

The ball given at Moose hall on Wednesday evening under the auspices of the Willamette Falls Post, American Legion, was one of the most successful affairs held during the season. The ballroom floor was filled with merry dancers, who enjoyed the music furnished by the Bar-Le-Duc orchestra, which rendered many of the latest and popular dance selections.

The affair was in charge of Roy Mullin and Richard Montgomery, who worked untiringly for its success.

The proceeds will go towards establishing a home for the Legion.

The hall was prettily decorated with American flags, festoons of crepe paper of national colors and flowers. Those responsible for the artistic arrangement were Mrs. Blake Bowland, Mrs. Grace Eby, Richard Montgomery and Charles McGetchie.

On the floor committee were J. C. Spagle, Glen Eppier and Mr. Shulason.

Mrs. Sophia Moody and Mrs. Lawrence Ray served punch during the evening.

Members of the American Legion are negotiating for temporary headquarters in this city, the room to be used until a building is secured.

Willamette Post Seeks List of Soldier Dead

In order to ascertain the required number of grave markers for deceased members, the Willamette Falls Post, No. 5, American Legion, is making every effort to secure the names, and desires those people who know of dead veterans, others than those represented in the list below to communicate with any of the officers, who are as follows: L. B. Harding, chairman; M. R. Cooper, vice-chairman; J. C. Spagle, secretary; M. G. Nobel, treasurer.

A sample of the marker is displayed in the window of the Jones Drug store, it is of bronze, with polished brass lettering, and bears the name of the American Legion, while the top is adorned with an American flag.

The marker is in the form of a five-pointed star, having a circumference of 21 inches, and seven inches in diameter.

The following is the revised list of the deceased members of the Post:

Royal Niles, Oregon City; Henry Charles Ast, West Linn; Carl L. Brown, Eagle Creek; Howard B. Dawson, 512 J. Adams, Oregon City; Waldo E. Canfield, Oregon City; Carlton L. Callif, Oregon City; Loren Harrington, Oregon City; Melvin Hammond, Oregon City; Vernon G. Brantland, Molalla; Joseph Allen, Oregon City; Frank E. Kohl, Oregon City; Emerson Hoeye, Oregon City; York E. Hammond, Oregon City; Merle C. Bingham, Oregon City; Arthur E. Schwerin; Willamette; Henry G. Schwock, Oregon City; Harry Melvin, West Linn; Harry Melby, Oregon City; Edward McIntyre, Oregon City; Lowell J. Kent, Parkplace; Walter L. Kelly, Oregon City; George M. Snel-don, Willamette; John A. The ravages of the Elm tree beetles in Clackamas county have been confined to the elm trees in the parks and among other trees of the same species scattered about the county.

Now it is reported that these pests which strip off the leaves and soon kill the trees are infesting the apple and other fruit trees. To save these fruit trees it is necessary to kill the beetles. Lead arsenate 1 1/2 pounds to 50 gallons of water is the proper spray. Owners of fruit trees would do well to consult the county agent about this matter also. The poison spray should be put on the trees before the blossoms appear. Spraying after the blossoms are out means the death of the bees which are essential to the production of fruit.

Teachers Entertain Delightfully

Miss Margaret Miller and Miss Elsie Lippold were the gracious hostesses at a "hard time" party last Wednesday evening at the M. C. Miller home in this city. About forty invited guests came "some in rags, and some in tags and some in silken gowns," but the rags and tags had the better of it by far. The prize for the best costume went to J. Scales. Mr. F. D. Eason won the prize in the guessing contest. The evening was spent in games and music, and after delicious refreshments the guests departed all vowing it the "best time ever."

Rebecca Lodge Meets

The Sandy Rebecca Lodge met in regular session last Thursday evening with N. G. Alma Maroney in the chair. The regular business was disposed of and Miss Elsie Lippold was initiated in the order. The refreshment committee served a delicious lunch at the close of the session. Each Rebecca lodge in the state of Oregon is being asked to give one dollar to the Ora Coper fund. Mrs. Coper is finishing her twentyfifth years as Grand Secretary of the Rebecca lodge of Oregon, and it is deemed fitting to present her with some tribute at the General Assembly which meets in Eugene this month. Mrs. Townsend and Mrs. Jadin of Bull Run are the Sandy delegates to the Assembly.

P. T. Meeting Failed to Materialize

The Parent-Teachers meeting scheduled for last Friday evening was not held, because of an insufficient number being present to do business. Quite recently this organization has bought a snare drum, primary supplies, swings, traveling rings, a volley ball, and had the play shed cleaned out and new sawdust put in.

High School Warrants Go

The \$30,000 issue of high school warrants voted by Union High School District No. 2 and opened for bids Tuesday, May 2, all went to local business men, at a premium of \$216.50. The following are in on the deal: C. O. Duke, F. L. Proctor, R. E. Esson, J. Scales, R. S. Smith, W. A. Proctor, P. R. Melning, H. Perret, and L. E. Hoffman.

P. Clepper Brown, of Portland, is the architect and work on the new building will be started almost immediately. It is to be a two story

structure, concrete with brick trimming for the upper story. The auditorium will be 60x60 with a seating space 50x60. The gymnasium will be 35x60. The board has purchased an additional piece of ground containing about an acre from Mr. Bruns, and is negotiating for a strip four rods wide on the other side. This will make over five acres in the tract, and give it a frontage on the Bluff Road. When completed this building will be something to which we can point with pride. An engineer was in town Tuesday looking over the ground with a view to drilling a 150 foot well on the property.

Enjoyable Program Sunday Evening

Another of those good programs, engineered by Mrs. J. M. C. Miller, was enjoyed at the Methodist church last Sunday evening. There was a prelude by Miss Elsie Lippold. Three saxophone selections by Mr. Milliron, accompanied by Mrs. F. D. Eason; vocal solo by Mrs. Devers, of Portland, duet Mrs. Devers and Mrs. Miller; solo, Mrs. F. D. Eason; selection, Sandy quartette, Whistling solo, Jonnie Shelley; character song, Arletha Proctor and Ruth Barnett; an original essay on the need of a library for Sandy, by Mildred Bosholm.

Brightwood Mill Opens

The Sandy Lumber Co.'s mill resumed operations Monday after being idle fourteen months. They expect to be running a full crew in two weeks. They are cutting ties and lumber which are floated through Beechill's flume into the Sandy River to Camp 5 about eight miles from the mill. They are then sent through the P. R. L. & P. Co.'s flume to Bull Run where they are shipped to Fairview. The O. W. R. & N. is the purchaser.

Council Meets

The city council held its regular monthly meeting at the city hall Monday evening with Mayor Casper Junker, presiding. The usual bills were ordered paid, and the question of city water was up for discussion. It was decided to have the Otto Meinig spring near town tested as to quality and quantity. The engineer, who has been investigating said it will furnish 2500 people with water for an indefinite length of time. The council is also investigating the spring on the

Reed place, near Cherryville. This is a larger spring and the water could be brought into Sandy by a gravity system. This would seem the better of the two, if the cost is not prohibitive.
