To the Voters of Clackamas County

MY PLATFORM IS ECONOMY AND HONESTY

- 1st—The burden of Taxation is felt by me, equal to the average Taxpayer ad Farmer of Clackamas county, being a dirt Farmer myself.
- 2nd—I always opposed waste and extravagance in public and private business. (We as Farmers must.)

In asking the support of the voters and taxpayers in the coming primary election, I invite their attention to my record for an Economic Administration of County Affairs. A conscientious administration of the County business along progressive and economical lines, the constructive program maintained and carried on in a careful, businesslike manner, notwithstanding the obstacles caused by war prices of material and labor.

I have always kept the interest of the Taxpayer uppermost in my mind and I have always supported a policy for the development of all parts of Clackamas County.

I have been a progressive member of your Board of Commissioners and have given much time and thought to the Selection and Development of the Market Roads of the County in the effort to benefit the Farmer and aid him to get to the market centers of the County, that some of the burdens of the Taxpayers may be lessened by being able to reach their markets points.

I wish to thank the citizens of Clackamas county for their cooperation and support in the past, and to assure them that if re-elected I shall, to my utmost endeavor to maintain the standard of open and fair dealing which I have followed in the past. I shall squarely face the problems of the County with an honest endeavor to deal justly and fairly with all. I am not pledged to, nor controlled by, any clique or ring and am FREE and shall keep myself FREE for unhampered work, regardless of jealousy, hatred or malice on the part of petty politicians and disgruntled individuals.

I invite a careful investigation of my work and of my ability to perform the duties of the office I seek, I shall render value received for every dollar spent through my order. Any official is subject to political abuse, but be fair and know for yourself. It is not advisable to change saddles in the middle of the stream. I am willing to stand on my past record. Judge fairly and I am willing to abide by the results.

My kidneys acted irregularly but Doan's Kidney Pills from Jones Drug Store soon relieved these attacks, so I gladly recommend Doan's."
