COLTON

Maud B. Hunter

Mrs. Ed Johnson, wife of our road supervisor, was thrown from her horse Saturday and quite seriously injured.
The operetta given by the high school Thursday evening was well attended.
Mr. Kruse, candidate for county commissioner was well chaperoned while on his political tour of Colton and vicinity.

There was a political meeting here at Colton last Friday evening. We were honored by the presence of six candidates who gave us some very interesting talks especially Mr. Toose, Mr. W. F. Harris, Mr. Robt. Schuebel and Mr. Lee, who appear to us as honest men, and thoroughly qualified for the Offices they are seeking. Some of our prominent citizens seem to be under the impression that this country should be run by the heaviest taxpayers instead of by a majority of the legal voters, judging from the demands they are making of prospective office holders that they shall recognize all propositions that are presented to the county court signed by 75 per cent of the heaviest taxpayers. If they had put it 75 per cent of the legal voters we would be with them, but never can we agree to such a demand and if the principle was carried to a

higher plane this entire United States would be run by the dictation of a handful of men as compared to the voting population, and if we learn of any candidate making any promises in such a proposition we shall refuse to vote for him.
Freeman and Rowan Lumber Co. are doing a record business now, and are putting out a very fine grade of rough lumber and when they get the new planer installed we expect to see something extra in the finished product, judging from the other material they have turned out.
Mrs. Myrtle-Orem of Blodgett is visiting her mother, Mrs. Merit Clark of Bee Hills.
The dairy business of Colton is rapidly increasing.

VOTERS:

Ralph E. Williams

REPUBLICAN NATIONAL COMMITTEEMAN

Insists that His Campaign be Clean, Fair, Instructive and Impersonal

Ralph E. Williams has served as Republican National Committeeman for Oregon until he is the senior member of the Committee.

In June, 1921, at the Committee's first meeting after the inauguration of President Warren G. Harding, every State cast its vote for **Ralph E. Williams** of Oregon for Vice-Chairman of the Committee, recognizing by their unanimous vote his fitness and ability as a leader to fill this responsible position.

This distinction gives to Oregon and the Pacific Coast much power and influence in party affairs.

Does the character of the campaign of the opposition lead you to think that you can get this kind of influence and power in National Council by the election of their candidate?

A National Committeeman does not make appointment—that is done by the President; nor does a National Committeeman legislate—that is the function of Senators and Congressmen; the business of a National Committeeman is to give attention to the affairs of the Party as an organization. In this Ralph Williams has made a conspicuous success. Had there been any legitimate reason why Mr. Williams should not be re-elected, or any doubt as to his loyalty and service to the party or its candidates it would have appeared in previous elections and before he had shown the value of his services to the party by being unanimously elected Vice-Chairman by the National Committeeman from the forty-eight States.

After Ralph E. Williams harmonized the party why try to disrupt it?

By all rules of fair play, because of the work he has done in the past, he is entitled to re-election.

Having no legitimate reason for opposing his re-election, the opposition has circulated unfair, misleading and poisonous statements.

We do not wish to insult your intelligence or your sense of fairness, and regardless of what the opposition has done or may do in an eleventh hour attempt to impose its poison upon you, there will be no disposition on Mr. Williams' part to adopt their unclean methods.

Club Delegates Elected
Four dainty little maidens under the direction of Mrs. Bennett sang at the Woman's Club on Thursday afternoon and exhibited a model of a club house ingeniously fashioned by Miss Bertha Hartke of the Oregon City high school.
By request Mr. Clay of the Commercial club gave an account of recent steps toward Oregon City civic and industrial progress and was warmly applauded. Things already accomplished appeared to confirm an optimistic view that our town is in a fair way to become a city in fact as

well as in name. Another interesting visitor was Mrs. Paquet-Reese, the mother of Victor Hugo Paquet, the youth born here in Oregon City who recently won the \$2000 prize for a story in the Cosmopolitan.
In announcing the Health Institute in Oregon City May 18, 19, 20, Mrs. R. W. Kirk, secretary, stated that a wealthy man wishing to do the most philanthropic thing with his money has decided to give \$5000 to Clackamas County if the county will match it with an equal sum for the health work. This announcement was received with applause.
Delegates to the state Federation of Women's Clubs at Tillamook, May 30, June 2 are Mrs. W. M. Stone, Mrs. J. W. Norris, Mrs. Mary Caulfield, Mrs. A. McDonald and Mrs. Rosina Fouts-Evans. A call was also read for Biddle Day for clothing of every description to be sent immediately to the W. C. T. U. Rest Room to be packed and shipped to Portland for the naked and destitute of the Near East. The day closed with nominations for officers and requests for a literary and historical program next year.
