Ladies Aid Holds Session

The Ladies Aid of the Carson Heights Church held an all day session at the Church Wednesday, sewing for the suffering Armenians.

Mrs. C. B. Simmons of Portland, has been named chairman of the Bundle day campaign committee, whose purpose is to collect spare clothing. The committee is composed of Mrs. Hugh McGuire, Mrs. C. E. Dant, Mrs. Lee Davenport, Mrs. A. E. Richards and Mrs. Bertha Bowery. The shipment last year amounted to over 1000 tons of spare clothing gathered from different cities.

ONE DUTY OF FIRE DEPARTMENT IS TO REDUCE HAZARDS

And just as this city was contentedly settling down to the enjoyment of the Buyers' Carnival there comes the unwelcome and startling cry of danger. The cause of this rude shock to our self-satisfaction is the existence of tremendous fire hazards.

The fire department is authority for the statement that the carelessness of citizens in this regard is astounding if not criminal; that there is general disregard for the laws and ordinances on this important matter. Ashes are emptied into wooden boxes and barrels and left standing in contact with wooden partitions or against wooden buildings; old papers and rags are left to form spontaneous combustion in wooden or paper boxes or in corners—a genuine fire menace. Cigarettes are carelessly thrown away—even from upper windows threatening the setting on fire of the awnings below, etc., etc.

JOINT STOCK BANKS FORMED ON COAST TO AID FARMERS

A joint stock land bank in Portland, and three others on the Pacific coast, enabled to make long-time loans to farmers in Oregon, Washington, Idaho, Utah California and Arizona at 6 per cent to the extent of \$16,500,000 will be organized soon by nine of the strongest banks west of the Rocky mountains.

The main purpose of such organizations is to provide credit when it is needed to farmers in the attempt to develop the agricultural development of the Pacific states. Each of the joint stock land banks will be capitalized with a total of \$250,000, with a paid-in surplus of \$25,000. The lending capacity of each bank will then be 15 times its capital and surplus, or \$4,125,000.

LARGE VOLUME WOOL SOLD. PRICES DOUBLE A YEAR AGO

Among the large holdings of wool sold on this season's market is that of R. N. Stanfield, who has in Oregon and Idaho about 200,000 sheep. The price paid was 35 cents a pound or approximately twice that paid a year ago. The Stanfield clip alone will net about \$600,000.

The demand for this year's clip is brisk and the market in Portland and other Northwest centers is a reflection of the condition in the wool centers of the East where there is a good demand for both wool and woolen manufactures.

LOCAL RED CROSS CHAPTER TO CLOSE THIS WEEK

Lack of Funds to Keep Organization in Operation Cause of Discontinuance

After approximately five years of active service extending over Clackamas county and including participation in war work the local chapter of Red Cross will close its office room in the Masonic building this week, Saturday. The reason for closing is lack of funds with which to carry on the work.

During the World struggle this organization ranked high among the chapters of the national organization. It did effective work in preparation of hospital supplies, soldier aid and philanthropic work of the various essential kinds. And since the armistice was declared it has rendered effective service to the families of returned soldiers who through injuries or for other reasons have been in need. In every effort to promote the health and well-being of the community this local branch has been aggressive.

Miss Cis Barclay Pratt has directed as secretary the work of the local branch during the past three years. Conscientious and faithful in the discharge of every duty connected with the chapter she rendered splendid service bringing aid and comfort to the needy and afflicted everywhere within the range of service. And to her "Well done," is the least of praise well merited.

Guardianship Asked

Mrs. Helen E. Wilcox has filed a petition with the county court asking to be appointed guardian of the person and estate of her son, Cyrus Neal Wilcox, now an inmate of the asylum at Salem.

Commercial Club Boosts for Hotel

That a modern hotel is one of Oregon City's greatest needs was the unanimous sentiment expressed by the Commercial Club at its Monday night meeting.

Frank W. Beach, editor of the Pacific Northwest Hotel News believes that a modern hostelry containing from 80 to 100 rooms would be fully adequate to meet Oregon City's hotel needs. In spite of Oregon City's close proximity to Portland, Mr. Beach expressed the belief that a modern hotel can be successfully operated here, as is being done in Oakland, California, whose location is similar to that of Oregon City.

Mr. Mason, of Hurley Mason Company, Portland, architects and contractors, offered to take care of 40 per cent of the construction cost providing that the remainder be raised locally and stated that in his opinion a Main street location would be most suitable.

A committee consisting of W. P. Hawley Jr., chairman; A. R. Jacobs, L. A. Henderson, L. E. Jones, L. O. Harding, Fred Hogg, Wm. Andress, W. A. Huttley and Will T. Wright was appointed to confer with Mason and others and to report at a future meeting of the Commercial Club.

In addition to the forum hours and programs in the big auditorium scheduled there will be a daily afternoon symposium at which many of the best read and best known Oregon people will gather to discuss the various subjects in which their lives are dedicated. Authors, educators, ministers and musicians all find their place on the program. It is not definitely determined who will be the leader of this hour but he will be a minister of great force and wide reputation.

The daily base ball games, which have come to be relied upon as the variety which makes the association a success, are to be scheduled with particular interest toward arranging even contests. Mr. Beattie, the secretary, is ready to accept applications from the managers of any amateur teams in Clackamas or Multnomah Counties. Several have already signified their desire to play on the Chautauqua diamond, and the indications are that the National game will not want for players or fans this year.
