wire; L. A. Morris guy wire; and Rev. Caradoc Morgan, insulation wire.

Work On Rest Room Urged

The matter of plumbing and wiring for the rest room for which space is planned in the approach of the new bridge was brought up at the Tuesday luncheon and M. D. Lasourette was appointed to bring this matter before the county and city officers before further completion of this part of the bridge. If done now the work will cost much less than if done later.
The rest room proposed will comprise two compartments one for men and the other for women, the latter in charge of the W. C. T. U. which now maintains a rest room near the site of the new one. The estimated cost for the plumbing complete is \$1000 and includes standard lavatories and toilets and accessories.

EIGHT GRADUATES AT PARKPLACE SCHOOL THIS YEAR

On Friday last occurred the Parkplace graduating exercises. The hall was beautifully decorated in the class colors and filled to capacity with relatives and friends of the class.

The graduates numbering eight assisted by Therous Orchestra and local musical talent rendered an excellent program:

- Music, Orchestra.
- March, "Chimes of 1922".
- Presentation Mr. Jensen.
- Welcome address, Hazel Felth.
- Music, Orchestra.
- Class History Blanche Johnson.
- Solo, Mrs. Rita Holmes Brunner.
- Class Song, Cecil Fischer.
- Class song. All. Arranged by Blanche Holbrook.
- Horseshoe, Olive Schlegel.
- Music, Orchestra.
- Alphabet, Norman Glass.
- Class Will, Lester Meindell.
- Solo, Vera Anderson.

Valadictory address, Edward Zirlaskowski.

Presentation of Diplomas, Mr. E. L. Poppe.

Flowers, Little Girls.

The Commencement address was given by F. J. Toozie, editor of the Banner-Courier.

The class acquitted themselves with high credit in this their graduating program as they also had acquitted themselves during their school year.
One of the very pretty scenes of the presenting bunches of flowers to the occasion was several little girls busily class. Scarcely larger than the bunches of beauty they carried for nearly a half hour and which fairly defied the graduates, their part in the program was most unique and beautiful.

Oswald Jensen, principal was in charge of the exercises.
