SILVER

At this time of year every house wife lays plans for the coming season.

She checks up her silver and herlinen, she considers the possi bilities and tries to get her entertaining equipment in first class shape.

There are a lot of new conveniences for the table. May we show you some of the new things in silver, at prices surprisingly low?

"BUSINESS OF LIVING" IS

In the final analysis of things earthly, about the most important business of all is the "business of living." At least this is the beltef of Dr. Lydla Allen DeVilbiss, noted New York phydcian, who will discuss this very vital

subject before Chautaugua folks on the fourth afternoon. Dr. DeVilbiss is an important figure in the medical world. She is medical editor of the Woman's Home Companion Better Bables' Department, and director of st the New York State Board of Health, Division of Child Hygiene,
