

## When Grandma was a Girl--

It seems so far off—and yet, when you consider it,—it was only a short while ago. Do you know the story of her Romance? Did Granddad have to travel miles and miles on horse-back to get the best ring that money could buy for the “dearest little girl in all the world”?

He wouldn't have to now-a-days, for all the finest productions of the country's best manufacturers are to be had in our store.
