It would be well if every minister could take a course in journalism, thinks Professor Snow. The newspapers recognize the value of good live church news but it is a lamentable fact, he says, that the average minister turns in copy that shows a sad lack of knowledge of journalistic principles and often is not legible.

PERSONAL FRIENDSHIP

WE ARE GREAT BELIEVERS IN FRANK-NESS. ADVOCATES OF FACING EVERY IS-SUE WITH OPEN MINDS AND HONEST HEARTS. Neither are we an exception. Oregon City folks have, as a rule, always been of this disposition and this has been one of the contributing factors to the upbuilding of our city and its institutions.

OUR MUTUALITY OF INTERESTS HAS BEEN THE INSPIRATION OF THE PAST AND WILL BE OF THE FUTURE. The relations of the Business Men of Oregon City and its citizens have been peculiarly interwoven in the work which has already been done towards our city's advancement. But we feel it to be your desire and theirs to have even a better understanding prevail THAT WE ALL MAY LABOR WITH A COMMON PURPOSE AND A UNITED EFFORT.

WE FEEL THERE IS NO PRICE WHICH CAN BE PUT UPON THE VALUE OF PERSONAL FRIENDSHIP. And whether we are intimately acquainted or not it is one thing which all of us Oregon City people possess for each other in the fact that we are all Oregon City folks. It is this idea that prompts us to urge a greater allegiance to our community BY A MORE SOLID BACKING OF ITS BUSINESS INTER-

Isn't it worth something to you, friends, to spend your money with Oregon City business institutions whose owners are Oregon City men and women like yourself Isn't it satisying to you to feel that when you hand over your money in exchange for Merchandise or Service, that you are handing it over to someone who is, at heart, INTER-ESTED IN YOU AND YOUR EXISTENCE IN THIS COMMUNITY? Doesn't it make your blood surge a little more rapidly to know

that this transaction between individuals is not just a cold, lifeless happening of business but instead is warmed by the knowledge THAT YOU ARE A LOYAL CITIZEN TO THE INTERESTS OF YOUR TOWN; that you are dealing as friend with friend and to the mutual advantage of both yourself and your community.

Contrast with this if you will the spending or sending of money from Oregon City and you will instantly picture a business transaction with strangers WHO CARE NOT NOR CONCERN THEMSELVES WITH YOU OR YOUR FUTURE WELFARE IN THE SLIGHTEST. What happens to you, your family, your dollars or your property is entirely foreign to this transaction. It is a severe, calculating business procedure where both of you stand as strangers with no community of interests or aspirations. The dollar you send is the basis of operation. A sordid business transaction the result.

We want you to think about this the next time you make your purchases. The Druggist, the Clothier, the Baker, the Plumber-in Oregon City is at your service. And we might add-AS FRIEND TO

Every one of the business firms whose names are appended herewith do business on this basis, folks. And they are only part of the entire number who go to make up the personnel of the Oregon City Business District-MEN WHO CONDUCT THEIR BUSINESS ON THIS HEART-TO-HEART PLAN. Notice this in the future,
