

Sew With Comfort

Every woman who does any SEWING should let us examine her Eyes and, if necessary, fit her with Glasses.

Sewing is a constant strain on the Eyes. Glasses help to relieve this strain and permit much better work with less effort.

All our work is done by a graduate optician.

Paint your house with

THE above picture shows that one gallon of SWP house paint covers 360 square feet of surface, two coats. Ordinary paint covers from 200 to 250 square feet. That is the first saving. SWP, though heavy-bodied, flows easily and evenly, thus cutting down the time required to apply it. That is, the second saving.

Fordson Often Does More In a Day Than Six Horses

The Fordson substitutes motors for muscles.

The Fordson substitutes tractor wheels for the legs of man and horse.

The Fordson takes the burden off flesh and blood and puts it on steel.

It allows the farmer's energy to be devoted to management, and not merely to operation. It gives him time. It cuts his producing costs.

There's a big story of savings made possible by the Fordson. Let us tell you. Write, phone or call.
