

Canby Department

Canby School Opens.

The buds and blooms of youth again face their tutors in a new school year at Canby. In the arrangement of teachers and grades we have: H. H. Eccles again chosen as principal and teacher of the eighth grade; Mrs. Charlotte Eld, seventh grade; Alta May Ramsby, sixth; Aileen Buhman, fifth; Maud Beatty, third and fourth; Vesta Clark, second and third; Mrs. J. E. Sinclair, first.

As the union high school proposition will call for rearrangements as to rooms, the grammar school will occupy the first floor, with possibly two portably constructed rooms joined to the west side of the building for grades two, three and four. The high school will occupy rooms previously occupied by the grammar school, plus the rooms previously used for high school work.

Scattered through the grades of the grammar school there is an enrollment of 109 boys and 68 girls, a total of 177 pupils with which to start the new school year.

He was attempting to block the rear wheels, when the truck started back, throwing him to the ground. He was taken home in a machine, but was back on the job the next morning with no serious injuries, but looking somewhat the worse for wear.

EDITORIAL
CONFIDENCE.

REAL, TRUE, LASTING PROSPERITY COMES ONLY WITH CONFIDENCE. Confidence in each other; in our community and in our country.

The disgruntled Pessimist has no place in this scheme for the Good Times which may always be ours if we so will. WAITING FOR SOMETHING TO HAPPEN MEANS NOTHING WILL HAPPEN AND BUSINESS STAGNATION PREVAILS. Squeezing every cent may mean a feeling of "safety first," but eventually leaves one with no income and a corresponding financial shrinkage.

Purchasing what you need and when you need it puts dollars in circulation that come back to you in rentals, increased property values and prosperity for all. Employment is the paramount necessity of every community for EMPLOYMENT MEANS WAGES AND WAGES MEAN PROSPERITY. Not just prosperity for those receiving these wages but prosperity for those that they, in turn, pay them out. Prosperity for the Banker, the Merchant, the Property Owner and last and most important, Oregon City AND EVERY ONE OF ITS CITIZENS MAKING UP THE CIVIC BODY.

The purchasing of a hat, a suit, a pair of shoes, a loaf of bread or any other of the innumerable articles which make up the needs of our personal living, all require the labor of someone in consummating the purchase. THEREFORE LET THIS PURCHASE BE MADE IN OREGON CITY.

We want to make this an individual matter with every one of you folks, as it is an individual matter with every one of our Business Men. ALL THOSE APPENDED HEREWITH GIVE EMPLOYMENT TO OREGON CITY PEOPLE. They wish to give more employment and vocation to those who desire it and pledge themselves to campaign unceasingly for the laboring conditions of our community. All of the Oregon City Business Men are of this mind and they ask your support and encouragement.

THIS ENCOURAGEMENT CAN BE GRANTED BY A 100 PER CENT LOYAL PATRONAGE OF THE BUSINESS MEN OF THIS CITY WHO IN TURN GIVE EMPLOYMENT TO THE PEOPLE OF THE COMMUNITY. It can be granted by your absolute pledge to employ no labor but what is Oregon City labor performed by an Oregon City person.

By these acts you will be offering to the working man or woman of this city the tangible co-operation and support which they rightfully deserve and which will all contribute to the final result we are expecting—A GREATER OREGON CITY.
