CANBY

Dr. John Fuller

At a city "round-up" at the city hall, on Monday night, October 16, W. F. Maple was chosen as a candidate to succeed himself as mayor for the next two years. Four councilmen were nominated for election for a period of four years. Of the ten nominations put before the assembly, W. F. Wygant received 39 votes; Earl Bowlsby, 30; C. H. Shelton, 29; and Ralph Swansby, 25. These were declared nominated for election in November. John Eld was nominated for city treasurer.

The meeting was called to order by A. H. Knight, who, by acclamation, was made chairman for the evening. H. H. Eccles was chosen as secretary. The meeting was called to order at 7:50 p. m. and adjourned at 8:48. It ran "in high" from start to finish. It was "gasless," "oilless" and "wireless." If these candidates are elected and conduct the city's business with as much dispatch as they were nominated, our municipal business will be "on the wing" and conducted classically.

Real Estate Transfers
Among the real estate transfers during the last week, Paul Schaubel purchased, through C. L. Bates, the D. House property on Second street. Mr. Schaubel will move to his new home within a few days.
Mr. Bates also sold to Mrs. E. A. Walden, the Frank Hopp place on Maple street. Mrs. Walden takes possession this week.
Mr. Struwe, who now occupies the Hopp place, will move into the Snyder house, near the Christian church, during the next few days.

LOCALS
C. S. Peck, who recently moved from Washington to Canby, and lives back of the Canby hardware store, met with an accident on the highway, about two miles east of Clackamas, last week. On a short turn in the road he came in contact with a flashy headlight on an approaching car, and in an endeavor to slow up on the wet pavement, his car skidded and overturned into a ditch. Mr. Peck's leg was lacerated from the knee almost to the ankle. He was brought home and attended by Dr. Dedman. The top of his car was a complete wreck.

Two smashing Marches by SOUSA

Two of the March-King's proudest, most inspiring compositions, played by his own band with characteristic snap and dash. "Keeping Step with the Union" is steady and swinging; "The Gallant Seventh" brisk, with stirring bugle-corps passages. Altogether a great record to listen a dull moment.

PUBLIC SCHOOL

Vote 314 x Yes

The purpose of the compulsory public school attendance bill is to insure the instruction of all Oregon children of grammar school age in a common language, a common history and common ideals, to the end that American unity shall be promoted, American ideals safeguarded and American institutions perpetuated.

This bill is proposed because its supporters believe that only by universal education of our children on standard and uniform lines can these things be achieved.

This bill proposes no religious restrictions. It contemplates no limitation of the right of the parent to teach religion to his child in his own way and according to his own belief. It raises no issue of religious difference.

This bill is purely a measure to insure that all children by attending the public schools shall be taught alike during their grammar school years, so that their outlook may grow to be a unified outlook for the common weal and for their country and its institutions.

To make an all-American nation we must have all-American instruction of our children along recognized standard lines. Ignorance of American ideals and institutions and language is the greatest menace to them, because those who do not understand them properly do not support them.
