Unfair and Unnecessary Tax

The Taxpayers' League of Portland are advising the voters here to vote against the Fair measure for the reason that taxes should not be used for purposes of this nature.

We advise the taxpayers of your community to do the same, you can not escape your proportion of this tax no matter what the proponants of the Fair may say to the contrary. Therefore, vote 305 NO, so as not to increase your now overburdensome tax.
