 (From our Sandy correspondent.)
 Funeral services for Ennis S. Townsend, who was instantly killed at the Bull Run power plant last Wednesday, were held at the Estacada Methodist church, last Saturday afternoon.

REPUBLICANS STILL IN CONTROL WITH REDUCED NUMBERS

Michigan Elects First Democratic Senator in Seventy Years

SENATE IS "SAFE"

National House of Representatives Has 224 Republicans And 205 Democrats.

The House of Representatives of the nation is safely Republican with 218 members while the Democrats are uncomfortably near with 205 members. The Socialists have 1; Independents, 1, and farmer-labor 1 with nine districts yet to hear from.

In New York usually the first to be taken as index to the political situation, the Republican candidates for governor and senator were laid to rest by an overwhelming avalanche of votes.

Senator Townsend went down to defeat under the weight of Newburyism with ex-schoolmaster Governor W. N. Ferris as victor. Ferris is the first democratic senator to be elected in Michigan for 70 years. Floor leader Mondel of Wyoming is defeated for representative. Lodge of Massachusetts has been returned to the senate.

Fess, Republican candidate in Ohio, defeated Pomerane, Democratic senator while Dill defeated Poindexter in Washington and Charles Bryan, defeated Senator Hitchcock, Republican of Nebraska.

EXCURSION BUREAU PROMISED FEATURE

One of the unique features during the Oregon 1927 exposition, will be the organization of a large bureau to specialize in excursions to various sections of the state to show exposition visitors activities in which they are particularly interested.

If the state measure authorizing Portland to tax itself for the exposition is passed in November, immediate steps will be taken to organize this feature. Trained men will be placed in charge of the excursion headquarters to be maintained on the exposition grounds.

The plan provided that persons interested in any special line of agriculture, industry, stock raising, mining or other activity, will be taken to the districts where these things may be seen and studied first hand.

Thus, it is believed that the work of interesting the exposition visitors in Oregon can be greatly amplified. Throughout the exposition every effort will be made to present Oregon's possibilities and opportunities to all who pass through the gates of the fair.

Arrangements are already completed for the carrying on of an international publicity campaign, to begin immediately after the November election, if the state measure is approved. This campaign will also feature "Oregon, its resources and advantages."

OREGON CITY FIRM TO GIVE RECITAL AT THE LIBERTY

Burmester and Anderson will present Mr. Harvey Hindemeyer, the popular Tenor, and the Dann Sisters Trio in a recital at the Liberty Theater Tuesday, November Thirtieth.

Following his marked success in his recital at Aeolian Hall, New York City, Mr. Hindemeyer's engagements in concert throughout America have been frequent and always satisfactory.

The Misses Dann are three charming young ladies of marked musical ability. Their charming personalities, combined with their unusual musical talent, make them favorites wherever they appear.

It is reported that Mr. Hindemeyer, at this recital, will attempt the seemingly impossible feat of singing a duet with himself.

Burmester and Anderson refuse to divulge just how it will be done, but predict a pleasant surprise for all who attend.

Son Of Rev. C. Morgan Is Seriously Injured By Dynamite

A terrible misfortune came upon the four-year-old son of Rev. and Mrs. Caradoc Morgan of this city on Tuesday afternoon this week.

The little fellow was playing with a dynamite cap, which workmen had left unguarded when it exploded mangle his left hand so badly that three of the fingers were afterward amputated. His eye which was also injured will require several weeks to heal, and until the end of this period the proportion of sight which may be saved is problematical.

OLD OREGON

Old Oregon, Old Oregon;
 You are the place for me,
 I have traveled over this world
 But no other place I see.

I love your hills, and forests green,
 And waters, as they flow,
 And everything so picturesque
 No matter where you go.

The highway too, is wonderful,
 It stretches far and near,
 The tourists ride along in ease
 With not a thing to fear.

Your balmy climate, with soft warm rain,
 No ice, no frost, no snow;
 I could not find your equal
 No matter where I'd go.

PHILLIP HAMMOND Representative

rounding good numbers and the adult part of the program was unusually fine. The Sandy quartette sang "Little Orphan Annie," F. D. Eason sang "The Three Jacks," and responded to an encore with "Rolling Down to Rio." Miss Desira Strack pleased with two piano numbers. Although only fifteen years old, Miss Strack shows unusual talent. She is a pupil of Mrs. Bertha Dolz Purcell of Sandy. Lyman Warnock of Oregon City was very generous with his wonderful baritone voice.

A reading by Miss Margaret Miller was very much enjoyed. The male quartette's selection was exceptionally well received.

After the program cake, sandwiches and coffee were served and everybody took a grab out of the grab bag. About eighty-one dollars were taken in.
