

### You Are Hoping to Do Something Soon

EVERYONE is. It may mean going into business for yourself or rising to the top in the company where you are employed. It may be marriage—to the girl, or maybe you are married already and the thing you are hoping to do is to build a cozy little home of your own.

PERHAPS it is an education for your children or merely something big for yourself. Whatever it is, the thing you are hoping to do can't just happen. It must be worked for and fought for and the surest way to bring it about is a cash reserve, for without money your ambition will always remain a remote hope.

START saving now. Be sure you are ready when opportunity comes.

### BANNER THOUGHTS IN POETRY

#### Myself

By Edgar A. Guest.

I have to live with myself and so I want to be fit for myself to know. I want to be able, as days go by, Always to look myself straight in the eye;

I don't want to stand, with the setting sun, And hate myself for things I've done.

I don't want to keep on a closet shelf A lot of secrets about myself, And fool myself, as I come and go, Into thinking that nobody else will know.

The kind of a man that I really am; I don't want to dress myself in sham. I want to go out with my head erect, I want to deserve all men's respect; But here in the struggle for fame and self

I want to be able to like myself, I don't want to look at myself and know That I'm bluster and bluff and empty show.

I can never hide myself from me; I see what others may never see; I know what others may never know. I can never fool myself, and so, Whatever happens, I want to be Self respecting and conscience-free.

### The Surety of Purity

There are no miracles in cooking. What goes into the food must inevitably come out.

Even the baking perfection that results from the use of Royal Baking Powder is no miracle.

It is simply the result of absolute purity entering the food—and emerging again.

Royal is made from Cream of Tartar derived from grapes.
