Depth bombs, exploded in Puget Sound near Tacoma, by Federal prohibition agents, thwarted expected attempts to recover from the water a large quantity of liquor which was recently thrown overboard by a smuggler's launch. The bombs were shot at the spot where the bottles were seen to sink.

For my part, I am not so sure at bottom that man is, as he says, the king of nature; he is far more its devastating tyrant. I believe he has many things to learn from animal societies, older than his own and of infinite variety.—Romain Rolland.

POINTS FOR HOUSEKEEPERS

To remove fruit stains there is nothing better (and perfectly harmless to cloth) for this purpose than lemon juice applied full strength. Rub it in well with the hands, then rinse in cold water. Lemon juice and salt applied to rust, will, when placed in sunlight, remove it at once; if of long standing, two or three applications may be needed.

To remove stains from the hands lemon juice or vinegar mixed with corn meal is a fine agent to not only take off discolorations, but will make the hands smooth and soft. When the meal becomes dry moisten it with water. A dish of cornmeal near the sink will be found a great convenience.

Rose geranium leaves laid in the cake tin under the greased paper will give a delightful flavor to layer cake. A leaf drawn through apple jelly adds greatly to the flavor of the jelly.

A good butter maker says—Never let a cloth, be it ever so sweet and clean, come in contact with butter. Pack it in jars and cover with butter paper.

Wash hair brushes in hot water to which baking soda has been added. Add a small handful to a pint of boiling water and when dissolved dip the brushes into it, using care not to cover the backs of the brushes. Rinse in cold water and dry in the sun or a current of air. The quicker the brushes dry the stiffer will be the bristles.

When making ginger cookies, fruit cake, spice cake, or any dark cake, use cold coffee for the liquid. It not only adds flavor, but brings out the flavor of the spices.

Eat apples; they are good scavengers. Apples are said to be good for brain workers as they are rich in phosphorus. They act upon the liver, and as an old saw puts it, "An apple a day keeps the doctor away." Surely such medicine is a pleasure to take. Some one has said that an apple before retiring is a good thing for the teeth. Nature seems to recognize its value for she is more prodigal with it than with any other fruit.

Nellie Maxwell

Calvin Coolidge says: "In these days, children get about what they ask for, not what the wise judgment of their parents should dictate. Their pockets are filled with money and out they go to purchase pleasure, all the pleasure their easy money will buy. The taste for pleasure is formed as the taste for thrift and work is killed. Later on, in a natural development of things, the taste for pleasure becomes so strong that it must be satisfied at any cost. If crime has to be resorted to, that price is paid."

CORRAL CREEK

By Corral Creek School, Blanche Brown, Teacher.

The exceptionally good spirit of co-operation which is at all times manifested between the Corral Creek school district and the school, was again evidenced last week. Mr. and Mrs. Ritter served a hot chicken dinner to the school. This is the second surprise dinner which has been served to the school this term by the school patrons.

Alice Baker, three-year-old daughter of Mr. and Mrs. Clyde Baker of Portland, and grand daughter of Mr. and Mrs. Allison Baker of this place, died at the home of her parents last week. Funeral services were held in Portland and interment was made here in Hood View cemetery.

School visitors last week included: Miss Josephine Graham, Eleanor Say, Lena Reissner, Mr. and Mrs. Wm. Ritter and Lloyd Jones.

Miss Norma Carlson, who attends Miss Catlin's school in Portland, is spending her vacation here, at the home of her uncle and aunt, Mr. and Mrs. Elmer Jones.

Mr. and Mrs. Doris Young of Wilsonville spent Sunday with Mr. and Mrs. Robert Graham.

Ralph Jones and Mrs. Blanche Brown spent the week-end in Portland.

The school is planning a Christmas entertainment to be given Friday night. There will be a program and Christmas tree. Everyone is invited to attend.

Mr. and Mrs. Elmer Jones and family spent Sunday at the home of Mr. and Mrs. F. Tooze.

Reed Graham was a business visitor in Wilsonville, Saturday.

Western Literary Magazine

The Lariat of Portland, Oregon, makes its bow as a literary monthly, the only publication of the kind west of New York, devoted exclusively to discussion and criticism of literary matters. Western writers will find it of great interest as voicing western standards of expression.

The west has never produced a writer of the degenerate school, but all western fiction, poetry and dramas are clean and wholesome, from the days of the pioneers in literature down to the present. The first number is for January, 1923, and has just been published. It is on fine paper and carries no advertisements of trashy books.

Col. E. Hofer, for forty-five years a newspaper man and writer, is the editor. It is not a money-making venture, but is intended as an incentive to better literary style and writing. It should find enthusiastic reception and support.—Editor.

Teachers Banquet
(Canby Correspondent)
The Canby High and Grammar school teachers, met at an evening dinner at the Cottage Hotel on Monday December 18th, where they enjoyed a feast of good things prepared by Mrs. Fuller, proprietor.

It was a "Get Together" and good fellowship meeting of the professors and teachers of the various grades, where social and pedagogic methods were discussed.

Canby is fortunate this year in having secured the services of a corps of

efficient and progressive teachers, whose cooperation and congenial spirits gives to our school a new inspiration, and hopeful outlook. They recognize the fact that they are engaged in a noble work, and are zealously endeavoring to make it a success.

Those present were: Prof. and Mrs. R. G. White; Prof. and Mrs. H. H. Eccles; Clarence Eld and wife; Emily Spulak; Lucille Cogswell; Arleen Buchanan; Alta Mae Ramsby; D. G. Clark and wife; and Avis F. Daugherty.
