Would Not Keep Faith.

On two occasions during the rehearsals of the Oregon City Dramatic club of " Past Redemption " when there were special features at the roller skating rink the club adjourned at the request of the manager of the rink , Mr. Tutlock, and every member paid admission and attended the rink on both occasions The first of these adjournment was upon the assurance of Mr. Tutlock, that he would close the rink on the night of the first performance by the club and announce it accordingly. The second time he promised to close the rink on the night of the second performance. When the time came for fulfilling his promises, however, he flarly refused to CLACKAMAS LODGE, No. 57, A O. U. The club also requested the publication of this card in the Extenraise that people might know the caliber of the manager of this rink.

Harney Times: Two more wagonloads of men came in this week to the Harney county gold diggings. There are now representatives from Grant, Malheur, Baker, Crook, Gilliam, Umatilla, Wasco, Union, Lake and Klamath counties, and still they arrive. The number is variously estimated at from three to four hundred men.

Dallas Observer: The Monmouth Democrat will cease its publication with this week's issue. Mr. Brooks the editor will remove the plant to Dufer, Oregon. The publication of the paper at the present place has been a losing business and hence its decease. We understand Mr. Bell of the West Side has purchased its subscription list and name of paper, and will henceforth publish his paper by

the name of the West Side Democrat. The day of wagon roads has passed, and railroads and river crafts must do the carrying trade of the future. It is within the range of possibility for our citizens to originate one or more narrow gauge roads into the adjoining counties, and we have confidence that as soon as work was begun in earnest foreign capital would eagerly invest in the enterprise. The wheat belt that such roads would make tributary to this

a man who has since CENTURY become identified with the resources and AGO development of that country. This man AGO is no other than Mr. John Stewart, one of the wealthlest and most influential clittens in the county. In a recent letter he says: "I had been suffering from pains in my back and general kidney complaint for some time, and had used many remedies without any but temporary relief. The pains in my back had become so severe that I was prevented from attending to my work and could not move about without the use of a cane. Hearing, through a friend, of the wonderful cures effected by Oregon Kidney Tea, I was induced to try a box, and from that very first dose I found instant relief, and before using half the contents of the box the pains in my back entirely disappeared. I have every faith in the virtues of the Oregon Kidney Tea, and can conscientiously recommend it to my friends. I would not be without it for anything."
