TRIAL SUBSCRIPTIONS.—The EXTERPRISE will be sent on trial for two months for twenty-five cents. Itend in a trial subscription and if you do not get your money's worth the two bits will be refunded to you. The paper will be stopped promptly at the expiration of the trial period if it is not desired longer. aired langer.

in contact with the draw which was in- this fact and it will push the matter. sufficiently opened. The whistle signal for turning the draw had been sounded after waiting what was supposed to be a Marquam and Melalla road, the one sufficient space of time for the draw to coming down the Willamette and the be turned the Altona started to go and the one this side of the Clackamas through but found when too late that on the east side; and the road to Bridgethe bridge was not sufficiently turned, port, the one from up the river and the The draw came in contact with the boat one from down the river on the west than \$600. The bridge also suffered be collected in cash and the expendisome. The boat lost four days of time tures made under the direction of compefirst the bridge company manifested a as a general thing do not understand the disposition to settle the matter without business of road building and money resort to the courts but it kept the mat- that they use is little more than thrown ter dragging along about two months away. All work should be done by conbefore deciding not to pay damages, tract and under the supervision of some Then the Oregon City company took competent and responsible engineers. action to get the case into court and Captain Pratt, of the locks, wants claims that the bridge is an illegal a big effort for structure. But that claim may be lost Councilman J. W. O'Connell says be net4, net4 and 11, s 2, t 3 s, r 3 e, 47.47

BURGLARS ARRESTED-Robert Gardner and Thomas Scott were arrested Tuesday afternoon charged with the theft of a small boat, boom chain, pike pole etc. valued at \$45 from the Willamette Pulp & Paper company. They were taken to Justice Fonts for commitment until amination was to occur. They wanted as it had been done in this county. Mr. to go down street to get someone to go on their bail bonds so they would not have to go to jail so Deputy Sheriff Morris accompanied them down town. They were unsuccessful in getting bail bonds and on the way back they stopped to get some cigarettes when Gardner in some manner managed to clude the plans already begun a good one. He officer and escape. Scott was taken to says he don't believe in throwing away jail. Both are well known toughs who spend a large part of their time in jail. Gardner was released only at the last term of court here and a number of project. burglarious manifestations about town have been attributed to him. The community will not regret the loss of his society. The offense for which he was arrested this time would have entitled him to a penitentiary sentence if convicted.

heard by Judge Deady.

NINTH STREET IMPROVED-The mer-\$150 by subscription to apply to the so as to afford a passage from the Molalla road to Main street during the prohave had a hard time to get down town. The roadway is to be made of cordnroy \$240 and still another \$100 will have to were there, very there. be expended to put the street in decent shape for travel. The difference beabout a week.

THE BOARD OF TRADE COMMITTEE STARTS THE WORK.

The Funds Being Raised-Opinions of Representative Citizen Upon the County Roads.

Thursday evening of last week the ad to Oswego, \$240. board of trade committee having charge the road to Molalla and Marquem met at the office of Chairman Cross, C. O. T. Williams and J. G. Pillsbury being Graham, pt of b 27, Oregon City, \$1985. the other members present. The committee was heartily in favor of taking of the town of Atkinson, \$1. hold of the work vigorously at once and a subscription paper was prepared so chette, 122, blk 69 in Minthorn ad that the work of soliciting lunds might to Portland, \$150. begin immediately. Mr. Williams took the paper to get signatures. On Tues- Thomas | 15 and 16, b 35, O I & S Co's day he had the full \$150 which the com- ad to Oswego, \$210. mittee started out to raise in the city subscribed.

The plans suggested by the various and pt s 22, 80 acres \$2700. correspondents of the Exterrine were talke I over and commended, though the committee will leave the work of selecting the route to a skilled engineer. Of course the road will be made to accommodate the greatest number possible THE FREE BRIDGE DAMAGE SUIT- and it must be on the most teasible People not conversant with all the facts route. In order that all the red tape in the case seem inclined to the opinion processes may be gone through with in that the suit commenced by the Oregon time to begin actual work on the new City Transportation company against road as soon as the weather will permit the Columbia Bridge company bas partly next spring, the preliminary work for its design the embarassment of the should be done and the matter gotten in new free bridge at Portland. The action shape for presentation in county court at by the Oregon City Company is for dam- its January session. There is so much ages sustained by the steamer Altona July work to be done in the meantime that 17, when at 2 o'clock in the morning the the project will not admit of a moment boat in passing through the bridge came of delay. The committee appreciates

Many people suffer for years from trou-Ayer's Sarsaparilla and no other.

However it may be effected; but unjust prejudice often prevents people from trying a 'proprietary medicine,' until other remedies prove mavailing. J. H. Ettebie, Commission Agent, Kingston,

Amstralia, writes : "For years a confirmed sceptic as to the merits of proprietary medicines, I was at last converted by the use of Ayer's Cherry Pectoral. For months a bottle of this medicine, of which I had come into possession through the kindness of a friend, remained unopened in my clear, till one of the property of the control of the property of the pro the kindness of a friend, remained unopened in my closet. Ill one night I was selzed with a violent cold accompanied by a racking cough. Horing wone of my swool remedies of Aand, I thought of the Cherry Pectoral, and determined to give it a trial. The result was truly magical. Helief same simost instantly, and after repeating the dose, certainly not more than half a dozen times, I found my-neif thoroughly cured. Bubsequently my daughter was cured of a severe cough by the use of the Cherry Pectoral. I recommend this preparation to all sufferers from throat and lung troubles."

For croup, whooping cough, bronchitis, asthma, and consumption the best remedy is
