FARMERS' ATTENTION.
Wilson & Cooke have the only complete line of Agricultural Implements in Oregon City. Portland prices duplicated. Buy of them and save your traveling expenses and freight.

NEW UP-RIVER LINE.—The packet line up the Willamette spoken of in the ENTERPRISE two weeks ago will begin work next Monday morning. The steamer Manzanillo, which was on the route between Oregon City and Portland the early part of the winter, will ply between Mission landing and Newberg and Oregon City daily, leaving Mission landing at 6 a. m. and Newberg at 3:30 p. m. for Oregon City and way points. She will leave Oregon City for Newberg daily at 10:00 a. m. and for Mission landing at 4:40 p. m., thus making two round trips every day. Stops will be made at the following named landings: Baker's Tualatin, Hoffman's, New Era, Walnut, Shaak's, J. Evans's, Kruse's, Blacker's, Wagner's, Curry's, Boon's, Ferry, Wilsonville, Crowell's, Vaughn's, Short's, Graham's, Ferry, Barnhart's, Butteville, Fred Geer's, Western's, Hopeland, Champeek, Abernethy, Eberharts, Newberg, Markleys, Yeager's, Ray's, Fulquartz and North Yamhill. People from those places can come to Oregon City arriving here at 9:30 in the morning and leave for home the same day at 4:40 thus making the round trip in one day and having more than seven hours in which to transact business and do trading in this city. Heretofore it has been a three days trip and Portland has caught nearly all the trade from that section because it required no more time to make the trip to that city than to come here. The Manzanillo will not pass through the locks. She will land at the basin and make close connections with the steamers Altona and Ramona for such freight and passengers as go to Portland. Captain Waud's new venture must result in building up an important trade and it should receive suitable encouragement from business men.

A PLEASANT BIRTHDAY PARTY.—On Saturday evening Mr. and Mrs. R. D. Wilson entertained at their home a merry party of young people, the occasion being the fifteenth birthday of their son Charles. The evening was spent in playing many new and interesting games, the winners, Jean White, Sade and Ina Chase, Clark Baird and Ina Wishart being awarded lovely hand painted souvenirs, the work of Mrs. Nora S. Butterfield. Master Charles was the recipient of a number of useful and beautiful gifts. Shortly before 10 o'clock dainty refreshments were served, and the birthday cake, in which was hidden a silver coin. Miss Nettie Walden drew the lucky piece. Mr. and Mrs. Wilson were assisted in entertaining by Mrs. N. Butterfield, Miss Chase and P. M. Weddell. Those present were the Misses Jean White, Betta Fouts, Kate Ward, Helen Eastham, Nettie Walden, Ino Harding, Ina Chase, Sade Chase, May Wishart, Emma McGietchie and Clommie Barman of Portland; Masters Lawrence Driggs, Charles Wilson, Ira Wishart, Clarence Furdum, Clark Baird, Carrol Stratton, Willie Logus and Lester Ackerman.

THE CITY NOMINATIONS.—Last Saturday was the last day that nominations for the city officers to be elected the first Monday in May could be made under the state law which it had been declared would govern that election. So, in order to get within the provisions of the law, a ticket was made up Saturday afternoon by several who felt enough interest in the matter to take the trouble and the signatures of fifty voters were obtained constituting the legal nomination which was filed with the county clerk as required by law just before the close of business hours. This ticket named C. H. Dye, republican, for assessor and collector; F. J. Louis, dem-

ocrat, for treasurer; C. O. Albright, republican, and J. J. Cooke, democrat, for councilmen from the first ward; and H. L. Kelly, democrat, C. N. Greenman, republican, and J. W. Noble for councilmen from the second ward. Mr. Noble failed to file his acceptance and the official ballots will not bear his name. Another ticket was prepared but the requisite number of signatures was not obtained and it was abandoned. The county clerk has ordered the ballots printed and preparations are going forward for holding the election in accordance with the Australian ballot law although the city attorney, mayor and some of the councilmen have come to the conclusion that that law is inapplicable to the ensuing charter election.

DEMOCRATIC STATE CONVENTION.—The democratic state convention was held in Portland last Tuesday. A. S. Bennett of Wasco county was nominated for supreme judge, R. M. Veatch of Lane for congressman from the first district, ex-United States Senator J. H. Slater from the second district, K. A. Miller and W. A. Colvig of Jacksonville, Geo. M. Noland of Astoria and W. T. Butcher of Baker City for presidential electors and for delegates to the national convention the following: J. J. Daly of Polk county, A. Bush of Marion, J. L. Cowan of Linn, H. C. Grady of Umatilla, S. F. Fioel of Douglas, T. G. Reams of Jackson, F. V. Holman of Multnomah, H. Blackman of Morrow. Eight alternatives were chosen as follows: C. W. Roby, J. B. Campbell, W. H. Vaughan, C. A. Cogswell, C. J. Trenehard, F. W. Fenton, T. M. Richardson, F. B. Houston. The delegates go unincorporated, but all are known to favor Cleveland for president. Geo. E. Chamberlain was nominated for attorney general. The following delegates from Clackamas county attended the convention: W. H. Vaughan, D. F. May, J. K. Gribble, E. R. Charman, W. E. Carl, Mark Robbins, J. W. Draper, C. D. Latourrette, Samuel Taylor, H. Straight, E. D. Kelly. J. W. Draper is the Clackamas county representative on the state central committee.

ANOTHER RAILWAY SURVEY.—Last Saturday Southern Pacific engineers completed the survey of a line from Oswego to this city with the ostensible purpose in view of constructing a road. Whenever there is talk of building a motor line between Oregon City and Portland the Southern Pacific people bestir themselves to give out the impression that they contemplate extending their narrow gauge line up the river from Oswego. The purpose of these manifestations appears to be to scare the other enterprises out of the field. The Southern Pacific will have to do something more than run preliminary lines, however, if it expects to keep a motor road off this route. Inasmuch as that company has a broad gauge road directly between Oregon City and Portland there is a question as to its sincerity in proposing to parallel its own line on the opposite side of the river. Still the narrow gauge can be operated at considerably less expense than the standard gauge road and for suburban service it has advantages over the other that might make the building of the branch from Oswego desirable.

TO INCREASE ITS CAPACITY.—The Oregon Iron & Steel company is about to add to its pipeworks plant at Oswego so that it will be able to turn out pipe twice as large as that now cast. The limit of its present facilities is pipe twenty-four inches in diameter. It is proposed to arrange for making pipe four feet in diameter. This will involve making another pit and putting in another crane and will about double the casting capacity of the works. The crane worked at present lifts ten tons. It is not yet known whether the cupola capacity of the pipe works will be increased or not. If not the volume of the total output will not be increased but only the size of some of the pipes. The present cupola melts the pig iron only fast enough for the present casting facilities.

ANOTHER EARTHQUAKE.—The third earth quake within five months occurred in western Oregon and western Washington last Sunday afternoon a little before 3:00 o'clock. In Oregon City there were two perceptible shocks about ten seconds apart. The first was light but sufficient to make most buildings tremble and windows rattle. The one following was comparatively violent though not of sufficient force to do any particular damage. In Portland and in the cities or Puget sound the shock was very appreciable. On Tuesday there was a violent seismic disturbance in northern California and in several of the small towns considerable damage to buildings was reported.

CANDIDATES MUST ACCEPT.—The attention of candidates for office is called to section 39 of the late election laws which calls for the filing of the certificate of nomination with the county clerk thirty days prior to the election; also his acceptance or declination of the nomination. This can be done by mail, but must be attended to by that time in order to insure the candidate's name being placed on the ticket.

LOST.—A small purse, containing two rings, one bearing the initials "W to F 1878." A liberal reward is offered by leaving the same at the Cliff house.

W. F. CORNELL.

TWENTY-FIRST BIRTHDAY.—Last Tuesday was the twenty-first anniversary of Ralph Miller's birth and a company of his friends gathered at the home of his parents, Mr. and Mrs. Thomas Miller, sixth and Center streets, in the evening to help him observe the occasion. It was a genuine surprise party that greeted the young man when he came home in the evening. Later dancing was introduced and the always welcome feature of refreshments was discussed to the satisfaction of the merry-makers. Among those present were Mr. and Mrs. J. G. Pillsbury, Mr. and Mrs. J. W. Ganong, Mr. and Mrs. E. E. Williams, Mrs. Jas. P. Shaw, Mrs. Stricklin of Salem, Misses Augusta and Sophia Logus, Tillie Ganong, Berdie Shaw, Vera Pillsbury, Minnie Ackerman and Messrs. Henry Stevens, Geo. Warner, Everett Hickman and Herman Jones.

TEACHERS' ASSOCIATION.—The regular monthly meeting of the Clackamas county teachers association will be held in Oregon City on Friday and Saturday, April 29 and 30. The association will convene in Pope's hall Friday evening where there will be some short addresses. The next day the usual program will be observed. Special effort will be made to make this an interesting and profitable meeting and a full attendance of the county teachers is desired.

ST. PAUL'S ANNUAL ELECTION.—The annual election of St. Paul's parish was held last Monday. The following officers were elected: Vestrymen, H. L. Kelly, C. J. Parker, Geo. A. Harding, Chas. Rose, H. P. Holmes, Richard, Glasspool and Julius Logus, Wardens, H. L. Kelly and C. J. Parker.

Cereal Production in Oregon.
The Census Office has issued the following statistics of cereal production in Oregon for the census year ending May 31, 1890:

In 1880 there were grown in Oregon 552,270 acres of wheat, which produced 9,298,224 bushels, being at the rate of 16.81 bushels per acre, as against 445,077 acres and 7,880,010 bushels at the census of 1880, the yield per acre in 1879 being exactly the same as in 1880. The increase in the area in wheat over 1879 was 108,193 acres, and in yield 1,818,214 bushels or 24.31 per cent in each case.

The number of acres of oats grown in 1880 was 218,738, which produced 5,948,604 bushels, being at the rate of 27.20 bushels per acre as against 151,624 acres and 4,386,650 bushels by the census of 1880. The yield per acre in 1879 was 28.92 bushels. The increase in the acreage of oats over 1879 was 67,112 or 44.26 per cent and in yield 1,662,944 bushels or 35.64 per cent.

| | ACRES | BU. | YIELD PER A. |
|-----------|--------|---------|--------------|
| Barley | 37,803 | 873,083 | 23.15 |
| Corn | 12,101 | 236,203 | 19.68 |
| Rye | 6,845 | 63,200 | 9.23 |
| Buckwheat | 250 | 2,678 | 10.71 |

The total area devoted to cereals was 829,005 acres as compared with 632,871 acres at the tenth census.

QUARTER OF A CENTURY
There settled in Baker county, Oregon, near what is now Baker City, a man who has since become identified with the resources and development of that country. This man is no other than Mr. John Stewart, one of the wealthiest and most influential citizens in the county. In a recent letter he says: "I had been suffering from pains in my back and general kidney complaint for some time, and had used many remedies without any but temporary relief. The pain in my back had become so severe that I was prevented from attending to my work and could not move about without the use of a cane. Hearing, through a friend, of the wonderful cures effected by Oregon Kidney Tea, I was induced to try a box, and from that very first dose I found instant relief, and before using half the contents of the box the pains in my back entirely disappeared. I have every faith in the virtues of the Oregon Kidney Tea, and can conscientiously recommend it to my friends. I would not be without it for anything."

Oregon Kidney Tea cures backache, incontinence of urine, brick dust sediment, burning or painful sensation while urinating, and all affections of the kidney or urinary organs of either sex.
