Home Without a Mother.

The room's in disorder,
The cat's on the table,
The flower-stand upset, and the mischief to pay;
And Johnny is screaming
As loud as he's able,
For nothing goes right when mamma's away.

What a scene of discomfort and confusion home would be if mamma did not return. If your wife is slowly breaking down, from a combination of domestic cares and female disorders, make it your first business to restore her health. Dr. Pierce's Favorite Prescription is without a peer as a remedy for feeble and debilitated women, and is the only medicine for the class of maladies known as female diseases which is sold under a positive guarantee from the manufacturers that it will give satisfaction, or the money will be refunded. It is a positive cure for the most complicated cases of womb troubles.
