

Local Personal Notes.

L. K. Adams of Hillsboro was in Oregon City Sunday.

Miss Lena Bier of Salem is visiting Miss Nettie Jones.

Miss Nora Conyers of Clatskanie is visiting relatives and friends in Oregon City.

M. Prall of Astoria was a guest of Everett Hickman in Oregon City Wednesday.

Misses Annie and Lulu Merrill were visiting in East Portland Saturday and Sunday.

Mr. and Mrs. G. W. Jett and Mr. and Mrs. L. F. Cook of Baker City spent Sunday in Oregon City.

Mrs. M. C. Holman, who has been visiting her brother, Judge McBride, left Tuesday evening for her home in Woodland, Cal.

Charles Baker of Springfield, Ill., arrived in Oregon City last Tuesday and is visiting at his uncle's, C. O. T. Williams's. He is on a prospecting tour through the western country.

Miss Erma Lawrence came home from Corvallis college to spend Sunday. She was accompanied by Miss Anna Samuels, Sunday Miss Eva Smythe, Jos. Smythe, and Harry Samuels of Portland visited them.

John Moore arrived home from Alaska last week. He was on the Canadian Pacific Navigation company's steamship Premier which was wrecked on the Sound in collision with the collier Willamette. He narrowly escaped destruction on that occasion.

Mrs. Ella Higginson was visiting friends in Oregon City from Friday to Sunday. She left New Whatcom on the steamer Premier and was much shaken up in the collision that wrecked the ship on the Sound. Mrs. Higginson left Sunday afternoon to visit relatives and friends in Portland a few days and then return home.

Judge Meldrum's family are moving from the farm to Oregon City this week. They will occupy the residence next to T. A. Pope's on Water street which was recently vacated by Alex Warner's family moving to Portland. Judge Meldrum's move is mainly to make it more convenient for the children to attend school in this city.

L. J. Dunaway, of Plainview, Neb., arrived in Roseburg last Monday. He was accompanied by four families, 27 persons, who expect to make their home in Douglas county. Mr. Dunaway came to this state last July, and being pleased with the surroundings went back for his family, with the above result.

Justice, on the court house, has been touched up in bright colors this week by Painter Davis. It has been suggested that the lady would be still further beautiful by turning her nut-brown tresses to a golden hue and providing her a pair of striped—ahem—incasements for the pedal extremities.

The water on the upper river has raised only about four or five inches and the boats cannot run up much above the Yamhill. The Modoc and the Elwood are doing a good business, however. The Hoag will not start till the water gets up to a good stage.

The new walk from Seventh street down to Ninth superseding the old "Baptist slide" will be completed this week and it will be a great convenience to people who have occasion to travel that way.

Mr. Summers, near Silverton, thinks he has 2500 catfish in one of his fish ponds, which have multiplied from 100 he put in the pond last spring.

Lost.

A due bill given by Carlton & Rosencreans of Canby payable to Wm. Klatsch. All persons are warned not to buy the same. W. E. JOHNSON.

POLITICAL APPOINTMENTS.

Senators Dolph and Mitchell and Congressman Hermann Coming.

Through the practical work of the campaign has been crowded into a short space of time a good deal of work will be done before election day. Every member of the Oregon delegation will speak in Oregon City. Clackamas is the only county in the state, outside of Multnomah, that will be thus favored.

Senator Mitchell's date comes first. He will speak at Shively's theater on Wednesday evening, Nov. 2.

Senator Dolph will address a meeting at the same place on the succeeding Saturday evening, Nov. 5.

Congressman Hermann will make a speech at Pope's hall on the night before the election—on Monday evening, Nov. 7. The following letter on the subject to Chairman Brownell will speak for itself:

ROSEBURG, Or., October 16.—DEAR MR. BROWNELL—Your esteemed favor is at hand. I shall endeavor to be present at the time mentioned by you and shall at once write the central committee to advertise this date—November 7th—so that the appointments may not conflict.

With kind regards, Sincerely yours, BINGER HERMANN.

There should be a large attendance at everyone of these meetings. There is no danger of the people learning too much about the great questions involved in this campaign and they will be better able to form rational conclusions after hearing the subjects thoroughly discussed by men who know what they are talking about.

There will be music at all these meetings and everything will be done to provide ample and comfortable accommodations for large crowds.

A special invitation is extended to the ladies to attend these meetings.

Next Saturday night Messrs. Lydell Baker of Portland, L. L. Porter and Chairman Brownell of this city will address a public meeting at Barlow.

The succeeding Saturday night is the time named for the joint debate on tariff and money at Shively's theater.

Mr. Brownell was at Forest Grove Wednesday night of this week and made a rousing speech there. He is booked for an address at Heppner Friday night.

Lydell Baker of Portland addressed a successful meeting at Sandy Saturday afternoon. There was a good attendance and much enthusiasm was manifested.

There will be a political meeting at Clackamas station Friday evening Oct. 28 to be addressed by Chairman Brownell and others.

School Notes.

The number of pupils enrolled is gradually increasing; there are about 440 this week.

We have a large non-resident attendance, many from Canemah.

There seems to be great prospects of a literary society being formed, consisting of the eight, ninth and tenth grades.

The school is being trained to salute the flag, and recitations, readings and essays are being prepared for Columbus Day, which will be celebrated in the forenoon at the school building and in the afternoon at Shively's hall.

The overcrowding of the school has been partially relieved by placing the eighth grade and a few from the first grade in the Cross house which has been prepared with the necessary school furniture. Mrs. J. N. Graham is the new teacher. The eighth grade still continues to meet in the principal's room for roll call and to attend morning exercises. The classes in algebra, general history and physical geography from the eighth grade, which have recited in the vice-principal's room, will now recite in their own room, the removal of the eighth grade making this possible. PUPIL.

I have some money to loan on improved Oregon City property.

H. Z. BURKHART.

If you want to borrow money apply to C. O. T. Williams.

UNDER THE CAR.

A Man Ground to Pieces on the Track Near Aurora.

Last Friday morning the north bound overland train discovered the body of a man on the railway track just north of the bridge over Budding river this side of Aurora. After the train had passed over the body it stopped and Dr. Jessup of Salem, who was on the train, made an examination of the remains which were found to be cold and to bear evidence of having been dead some hours. The body was deposited by the side of the track and Coroner Holman was notified of the occurrence.

The coroner and Dr. Yeargain went up on the 9:30 train to examine into the matter. They found that two trains had evidently run over the body—one going up and the other down—for it had been dragged a distance of about 40 yards along the track and when found was about midway between the ends of the course it had been dragged over.

A jury was summoned and it ascertained that the deceased was a German about 30 years of age by the name of Chris. Kortig. He had been about Aurora some time and Thursday night he pawned his watch there for \$2, purchased two flasks of whisky and started down the track. That is the last seen of him alive. One of the bottles full of liquor was found on the track near the body. The fragments of the other were also found.

W. H. H. Samson was on the train when the body was discovered, he went back with the coroner and was on the jury. That jury found the rather remarkable verdict that deceased came to his death on the railroad track and "authorized the proper authorities to examine into the manner of death" which it was the particular duty of this jury to do. The remains of the dead man were collected in a box and interred in the Oregon City cemetery Saturday morning.

SEWERS NEARLY COMPLETED.—All the pipes of the new sewerage system under the bluff has been laid. This includes 2066 feet of six-inch pipe, 3021 feet of eight-inch pipe, 523 of 10-inch, 57 of 12-inch besides 180 feet of eight-inch and 60 feet of 12 inch iron pipe at the outlets on Fourth and Eighth streets. There are 11 man holes in the system, 14 lamp holes at the dead ends, 10 catch basins and three brick flush tanks. The finishing of these latter accessories, cleaning the system etc, is now occupying the attention of the contractor. It is agreeable news to the property owners to know that the cost of the sewer will be in the neighborhood of one-third less than the estimate. Less rock was encountered than was contemplated in the estimate, and therein lies the diminished cost. It is absolutely necessary, however, that the assessments be paid as levied and then the rebate will be refunded in due legal form. It is imperative that the law be complied with. It cannot yet be told definitely how much the rebate to the property owners will be but it is likely to be about one-third.

Takes 1000 people to buy Dr. Sage's Catarrh Remedy at 50 cents a bottle, to make up \$500. One failure to cure would take the profit from 4000 sales. Its makers profess to cure "cold in the head," and even chronic catarrh, and if they fail they pay \$500 for their over-confidence.

Not in newspaper words but in hard cash! Think of what confidence it takes to put that in the papers—and mean it! Its makers believe in the remedy. Isn't it worth a trial? Isn't any trial preferable to catarrh?

For Sale Cheap.

Lot household furniture nearly new, including cook stock. G. W. RICH, 6th street between Center and Washington.

WANTED.—second hand grain sacks. E. E. Williams the grocer.

Receipt, note and order books at the ENTERPRISE office.

The finest line of cigars in Oregon City Seventh street drug store.

The wrong way, with Catarrh, is to stop it without curing it. The poisonous, irritating snuffs, strong caustic solutions, "creams," "balms" and the like may, perhaps, palliate for a time. But they may drive the disease to the lungs.

The right way is a proved one. It's with Dr. Sage's Catarrh Remedy. It cures, perfectly and permanently, by its mild, soothing, cleansing and healing properties, the worst cases of Chronic Catarrh. It has proved itself right, thousands of times, when everything else has failed.

And this makes its proprietors willing to prove that it's the right thing for you, no matter how bad your case or of how long standing.

If they can't cure your Catarrh, they'll pay you \$500 in cash.

They mean it.

They're certain of their medicine.

You pay only for the good you get.

A Little Girl's Experience in a Light-house.

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter four years old. Last April she was taken down with Measles, followed by a dreadful Cough and turning into a Fever. Doctors at home and Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at Geo. A. Harding's Drugstore.

After all, the mild agencies are the best. Perhaps they work more slowly, but they work surely. Dr. Pierce's Pleasant Pellets are an active agency but quiet and mild. They're sugar-coated, easy to take, never shock nor derange the system and half their power is the mild way in which their work is done. Smallest, cheapest, to take. One a dose. Twenty-five cents a vial. Of all druggists.

Bucklen's Arnica Salve.

The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chillsbains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by G. A. Harding.

Notice.

All persons finding themselves indebted to us will please call and settle their accounts as soon as possible or else the accounts will be turned over to our attorney for collection.

MAYER & ACKERMAN.

City Treasurer's Notice

Notice is hereby given that there are funds on hand sufficient to pay all outstanding warrants indorsed prior to Nov. 20, 1891. Interest ceases with date of this notice.

Oregon City, Oct. 12, 1892.

F. J. LOUIS, City Treasurer.

Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all, eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at G. A. Harding's drugstore, regular size 50c. and \$1.00.

BOATS FOR THE EXPOSITION.—Hereafter on Saturday nights during the continuance of the Portland exposition the Oregon City boat will make an extra round trip leaving Oregon City at 6:30 and Portland at 11:30. Round trip tickets including admission to the exposition 90 cents.

For several years past a gentleman in Nashua, N. H., has been in the habit of taking Ayer's Sarsaparilla to tone up his system preparatory to the heated term. He finds that this medicine relieves the tired feeling so prevalent during spring and early summer.
