List of Premiums Awarded to Exhibitors this year. The Butte Creek tair held at Marquam this year was one of the best ever held by the association. Compared with last year's fair the improvement is not marked because last year was an unusually good season for farm crops and it was not difficult to get a magnifi-tient display of mediants of the assol tamah cient display of products of the soil. The live stock exhibit this year was probably the best ever made there, and this is saving a good deal for it. In the department of domestic arts the usual a Bair probably the best ever made there, and department of domestic arts the usual

high degree of excellence was manifested. The managers of the Butte Creek fair were compolied to deal heroically with a class of fakirs and gamblerz who made their appearance on the fair grounds, but they got rid of the parasites. The but they got rid of the parasites. The accommodations had been increased by building of an addition to the pavillion.
The weather this year was not all that could have been desired but the association did a satisfactory business and the fair of Oct. 6, 7 and 8, 1892 was a success as may be judged by the following
